Liability Release Form

It is the policy of Custer Public Schools to require a signed liability release before allowing anyone to participate in a non-school activity on school property.

I understand that the school and the staff will do what is reasonable to prevent accidents. However, I fully understand that some activities involve inherent risks to me regardless of reasonable safety measures that may be taken by the district. In consideration of the district's agreement to allow me to participate in a non-school activity, I agree to accept responsibility for any loss or injury to me that occurs during my participation that is not the result of fraud, willful injury or the willful or negligent violation of a law by a trustee, employee or agent of Custer Public Schools.

In the event it becomes necessary for the district staff in charge to obtain emergency care for me, neither he\she nor the school district assumes financial liability for expenses incurred because of an accident, injury, illness and\or unforeseen circumstances.

Furthermore, I acknowledge that I have read the **Gym use guidelines**, and I understand that gym/weight room use is a privilege which can be revoked if I violate the open gym policy. I will be held financially responsible for any damages I cause to school property.
