

Karns City Area Elementary School
(Remote Flexible Instruction Day (FID) Schedule)

If school is closed due to inclement weather, the elementary school can use up to 5 Flexible Instruction Days (FIDs) in a school year. FIDs will occur remotely, according to the schedule detailed below.

Teachers will post their Google Meet links on their Google Classroom homepages (This does not apply to students who are enrolled in the KC Cyber Program).

During remote FIDs, daily attendance will be taken by the teacher via the Google Classroom by 11:00 a.m. Additionally, teachers will take attendance throughout the day in every class.

Classes will run synchronously for ELA and Mathematics, meaning students will join their classes live using Google Meets. During Google Meets, teachers will check for students' understanding and attendance, using short, formative assessments.

Classes for Specials, Science, & Social Studies will run asynchronously, meaning students will complete their assignments via Google Classroom. These classes will not be live.

Teachers will take attendance each period for ELA and Mathematics, so it is imperative that students join these live classes. (If you encounter Internet issues and cannot login to your classes, you are required to call the elementary school office at 724-756-2030 to inform the secretary that you are unable to participate in live Google classes. You may also email Mr. Wagner at jwagner@kcasdk12.org or Mr. Spack at sspack@kcasdk12.org. If Internet issues do not permit you to participate, you will be given the opportunity to make up missed assignments.)

Please note that failure to attend Google Meets or failure to notify the office that you cannot participate due to Internet issues will result in an illegal absence.

Open Office Hours - 8:00 to 10:30 - If you are in need of tutoring or additional assistance, you are encouraged to email your teachers, who will be monitoring their emails, to set up a live Google Meet.

10:30 to 11:00 - Specials (Google Classroom)
11:00 to 12:00 - ELA Live Google Meet Grades K-2 and Group A Grades 3-6
11:00 to 12:00 - Math Live Google Meet Group B Grades 3-6
