10. Superintendent's Report

As we head into the last week of the first quarter, there are several items that I'd like to draw our attention to. The first is to a grant that was awarded to our cafeteria program that provides funding to purchase our beef locally from our community farms and suppliers. This is the first year we've been awarded the grant and it will provide almost \$4,000 this year to create quality nutrition sourced from local suppliers. In future years the hope is that this funding will be expanded to provide additional options for our students as well as support our community.

In a similar vein, students at Brecknock Elementary raised almost \$15,000 through their fall fun run fundraiser. In partnership with the PTO, these funds will support numerous activities and experiences for students during the year, including field trips, assemblies and classroom mini-grants. Even more importantly, because of the amount raised Mr. Moll and Mrs. Koehler camped overnight on the front lawn of Brecknock and are still thawing out from the experience.

Garden Spot High School students hosted a group of student visitors from Germany as part of an exchange program. Our students were able to spend time in Germany in the early summer and repay the hospitality during the first week of October. While here, the students from Germany were able to attend classes with our students, visit local and regional historical sites as well as attend a football game and our homecoming dance. Special thanks for Laura Trimble and Manfred Eller for the months of preparations that made this so successful.

As our fall sports seasons are wrapping up, I'd like to offer the best of luck to our girls' volleyball team as they open play as the #2 seed in their classification. They are hosting on Thursday night after earning a bye in the first round, so please come out to support the team at 7pm in our gym.

I would also like to acknowledge three of our board members for their service. On behalf of the Pennsylvania School Boards Association, I would like to congratulate Mr. Conroy, Mrs. Geyer and Mr. Irvin for their years of service to ELANCO through the roles on the board. Mr. Conroy and Mrs. Geyer have completed 5 years of service, and Mr. Irvin has completed 15 years of service. Please join me in thanking them for their time and efforts in making ELANCO the wonderful school district it is.

11. Announcements

Mr. Conroy commented on the PSBA vote that the has been recommended by Mr. Ramsey as all parties being reelected are unopposed.

12. Adjournment
