What is a School-Parent Compact?

A school-parent compact for achievement is an agreement between parents, students, and teachers developed together. It explains how parents and teachers will work together to ensure all students are reaching their grade-level standards, staying on track, and meeting goals.

Jointly Developed

The parents, students, and staff partnered together to develop this compact for achievement. Parents are encouraged to attend annual revision meetings held in the Spring each year to review the compact and make suggestions for improvement based on student needs and school goals. Parents are also encouraged to attend annual Title I meetings and participate in Title I parent surveys.

Communication

The parents, students, and staff will partner in several different forms of communication, such as:

- Class Dojo
- Classroom School Newsletters
- School Facebook Page
- School Website
- My Phone
- My Email
- Parent/ Teacher Conferences
- Text Messaging
- Etc.

DISTRICT GOAL:

Reading: At the end of 2025 school year, we will see a 3% increase in the percentage of students who are proficient and above on Georgia Milestones ELA assessments from the 2024 results. (End of Grade in 3rd-8th and End of Course for English Literature and Composition combined) (Grade 2024 = 37.2%; goal for 2025 = 40.2%)

Math: At the end of the 2025 school year, we will see a 3% increase in the percentage of students who are proficient and above on Georgia Milestones Math assessments from the 2024 results. (End of Grade of 3rd-8th Grade and End of Course in Algebra I combined).

SCHOOL GOAL:

Gilbert Elementary will have an increase in the percentage of students in 4th and 5th who are proficient and above on the Georgia Milestone Assessment in ELA and Math by 3% in the 2025 school year compared to 2024 school year results.

As a school, we will...

Provide all students with specific instruction in reading and math utilizing Orton-Gillingham and Illustrative Math.

Host events where we share student's data and make sure families leave with an activity to do at home.

Keep an open line of communication with families.

Provide a list of websites to help support each student with reading and math.

As a family, we will...

Visit teacher suggested websites and attend Family Engagement Events to learn ways to support my child(ren) in reading and math growth.

Check Powerschool and attend meetings to ensure my child(ren) is completing assignments to the best of their ability.

Maintain an open line of communication with my child(ren) and their teachers.

Use the activities given out during Data Nights to support our child(ren) in reading and math.

As a student, I will...

Use the strategies, activities and ideas provided by my teachers to practice and improve in reading and math.

Be ready to learn and do my best on each assignment given, be positive by encouraging others, have a positive attitude and respect others.

Create goals and discuss these goals with my family and teacher(s).

My Goals

MY OWN PERSONAL GOALS:

MY TEACHER CAN HELP ME REACH MY GOAL BY:

MY FAMILY CAN HELP ME REACH MY GOAL BY:
