CONCURRENT ENROLLMENT

Please check in on your CE linguists and follow up about missing or late assignments. Being a good college student means performance AND solid work habits.

We have 30 attendees for Hänsel und Gretel! Please meet in D231 at 5pm for our Schnitzelwirt meal and we will depart afterwards. Special thanks to our parent drivers!

TRICK OR TREAT STREET 10/29

We need as many volunteers as possible to decorate and work the German hallway. We have skeletons and our very own Krampus! Frau Garrett will provide pizza after school.

SPARK AT MANDALAY MIDDLE SCHOOL

Seniors Kaiden Bone and Andrew Miller, with supporting sophomore A. Magee are sharing their love of German weekly.

We are about half way through our sessions with our group of middle schoolers and these SLHS leaders have worked extremely hard to bring German language and culture to our future Gators in a fun and engaging way.

Opportunity for SLHS German Linguists of all levels

The German Cultural Foundation is graciously covering a school bus and \$10 gift certificate towards a purchase for our German students. Linguists of all levels with C and above grades and no disciplinary referrals are invited to attend, however, we will be limited by our bus capacity.

We will visit the Denver Christkindlmarket in Civic Center Park during the school day. After performing a few Christmas carols in German, students will have free time to sample delicious holiday treats and shop. This is a great place to find unique gifts for the holidays.

Students who play an instrument are encouraged to do so and those who do not will sing.

Field Trip forms will be available early November.

Freshmen Ori Scher, James McAdoo and Jason Buechler identify cognates in German 1.

GAPP HOST FAMILIES NEEDED

We have 11 Gators heading to Germany this summer, and our partners in Osnabrück are bringing 17 juniors to our school March 25-April 11. We still need a few more host families to make this side of the exchange unforgettable for our guests. Please contact Frau Garrett if you are interested.

ATTENTION GERMAN 3 AND 4/IB STUDENTS *Sprachbad is coming!!!!*

Every January, German students from Colorado and Wyoming gather at the beautiful YMCA of the Rockies for a German immersion weekend.

Sprachbad is January 23-25 and upper level German students are strongly encouraged to attend, especially if they are pursuing the Seal of Biliteracy or IB exam in the future. Immersion is the best way to make big leaps in language learning!

This year's theme is Music and is sure to be a blast! Field Trip packets will go home by the end of October and are due December 13th. The final cost is determined by the number of attendees, but will likely be \$160-200. If we have more than 6 attendees from SLHS, we will also need driving help.
