School's Mission/Vision

The mission of the Jennings School community is that every individual is promised safety, opportunity, respect, comfort, dignity and acceptance. We are dedicated to developing critical thinkers who take responsible risks, love to learn, strive for their personal best, and become community leaders.

Theory of Action

If we:

- Provide meaningful and equitable opportunities for all students
- Implement a standards-based curriculum
- Incorporate a strong focus on Social-Emotional Learning (SEL)
- Improve collaboration and communication across all staff
- Measure student performance and intervene accordingly at all tiers of instruction

Then we will:

- Increase student achievement
- Improve student attendance
- Enhance students' attainment and acquisition of specific content and skills
- Support students' growth as whole individuals
- Ensure equitable outcomes for all learners

This theory of action combines multiple elements to create a comprehensive approach that addresses curriculum, instruction, assessment, social-emotional learning, and school-wide collaboration to drive student success and overall school improvement.

SMART Goal 1

Root Cause Analysis - Based on School Performance

Overall, Spring 2024 ELA SBA scores for grades 3 - 5 indicate 71% of students are meeting / exceeding, with 52% of High Needs Students (HNS) meeting / exceeding. In comparison to NWEA, students scoring at the 61%ile or above, in grade 4 students scored 61% and grade 5 students scored 55%ile, with 23% of High Needs Students (HNS).

The K - 3 Acadience Spring EOY data indicates 81.5% of students are meeting / exceeding on the reading composite score, with 72% of High Needs Students (HNS) meeting / exceeding.

Strengthening Tier 1 is a vital component of continued academic improvement in order to increase achievement. The implementation of HMH Into Reading, will develop proficient skills in the areas of Structured Literacy, in order to increase student performance as evidenced by SBA, NWEA and Acadience score analysis.

School's Goal	Increase overall literacy performance as indicated by EOY Spring 2025 universal data points.
SMART Goal	By the end of the 2024-2025 school year, indicators of academic growth and development will be met in relation to individualized IAGDs.

SMART Goal 3

Fairfield Public Schools – School Improvement Plan

Root Cause Analysis - Based on School Performance

During the 2023-2024 school year, 6.5% of Jennings students were identified as chronically absent. Of those that were chronically absent, 3.5% were High Needs Students.

On the 2024 Spring Climate Survey:

73.9% of students said they felt safe in the school bathroom (22.39% feel unsafe in the bathroom), and 84.3% of students said they felt safe out at recess (14.93% feel unsafe at recess).

61.2% of students stated there are groups of students who do not make others feel left out (38.8% of students feel there are groups of students who make others feel left out).

School's Goal	Through implementation of strategies and systems which promote a positive, safe and engaging school community, chronic absenteeism will decrease and student climate scores related to safety and acceptance will increase. (Q12, Q17, Q28)
SMART Goal	Chronic absenteeism will decrease to 6% for the entire school by June 2025.
Evidence of Success 1 IAGDs <i>minimum</i> Inclusive and Equitable	<p>100% of students who were identified as chronically absent during the 2023-2024 school year will improve their attendance in 2024-2025.</p> <p>85% of students in grades 3-5 will identify that they feel safe in the school during recess and in the bathroom as indicated by the student climate survey.</p> <p>85% of students in grades 3-5 will identify that they feel included and accepted across groups and settings as indicated by the student climate survey.</p>
District Improvement Plan Connection	District chronic absenteeism rates will consistently be at 5% for all groups of students by 2027.
