November 14, 2024

Hello Doherty Faculty and Staff, Doherty feeder school Faculty & Staff, D11 Executives and Exec Pros, Parents, and Community Members,

On behalf of the Doherty High School Senior English Team, I would like to invite you to our **Senior Showcase** with presentations running during finals times Tuesday, December 17th, Wednesday, December 16th, Thursday, December 19th, and Friday, December 20th in the Doherty Media Center. This is a great opportunity for you to see the Seniors you know demonstrate their College and Career Readiness through presentations that will showcase their learning and how it informs their future plans.

We need volunteers to make this event successful! If you are willing and able to help with evaluations, please complete this [FORM](#). Please note this requires arriving by 7:20am for training on the performance assessment rubric and staying through the remainder of finals which end at 11am (unless you are a Doherty Staff Member - staff will be trained at their convenience).

For those who cannot volunteer, we hope you can find some time to stop by and encourage and engage with our students in this unique event, which is an opportunity for our 12th grade students to celebrate the completion of their Inquiry Projects. The goal is for the community to see the D11 Graduate Profile in action!

We hope to see you during one of these time slots.

Warm Regards,

Doherty Senior English Team
