SEPTEMBER 2024

## 1ST YEAR ANNIVERSARY

This month marks the first anniversary of the Wishart Academic Success Center at MDCA&CH, and it is an exciting time to reflect on the incredible progress we've made. In just one year, the ASC has grown into a vital resource for our students, providing guidance, mentorship, and support that has enhanced academic achievement.

It has truly become a hub for academic excellence and collaboration and a blessing to our school community. The dedicated staff, TAs, and volunteers have created an environment where students feel encouraged and empowered to take control of their learning. Whether students are struggling or simply looking to improve their skills, the ASC provides a space where they can flourish.

As we celebrate this milestone, we look to the future with excitement. The success stories from our first year inspire us to continue expanding our offerings and reach even more students.

## Big Blue Bash

The ASC invited all middle school students to join in their Big Blue Friday Bash! Everyone had a great time discovering the various services offered by the ASC. Now full of determination, they are ready to run the race set before us, keeping our focus on Jesus.

Each elementary grade level participated in Popsicles on the Porch, where our 7th-period Peer Tutors guided the conversation about the ASC and the significance of Racing For Success!

## A Year of Impact & Growth

To celebrate year one, students participated in a unique and meaningful celebration. Each student added a leaf to our tree symbolizing how we are rooted in learning and growth. This created a powerful visual reminder of the success we are building together. Alongside this activity, students enjoyed freshly sliced apples, a nod to the fruit of knowledge and learning.

## ASC SERVICES

- Academic Support
- Success Strategy Workshops
- Academic Coaching
- Success Mentoring
- Peer Tutoring
- Special Events
- Middle School Learning Strategies Classes
- SAT & ACT Prep Resources
- Prevention Intervention

## POPSICLES ON THE PORCH

A heartfelt thank you to our PTA for generously sponsoring all of our Secondary Big Blue Bashes and Elementary Popsicles on the Porch!
