AUGUST 2024

## RACING FOR SUCCESS

This year's theme for the ASC is "Racing for Success: Keeping Your Eyes on Jesus" from Hebrews 12:1-2. The ASC staff is committed to helping students stay the course, even when ROADBLOCKS come their way. "Let us run with perseverance the race marked out for us, fixing our eyes on Jesus." Look for workshops and events throughout the year designed to help our students and families "RUN the RACE."

## Big Blue Friday Bash

Each Friday in August, seniors through freshmen enjoyed lunch and fellowship as a grade level at the ASC. They also learned our procedures and all about the resources available to them. Students are now ready to "Start Their Engines" for a great year. They committed to run the race with perseverance and support each other in and out of the classroom. Each grade's Bible teacher led our time together to encourage us to keep our eyes focused on Jesus.

## Peer Tutors

In our Peer Tutoring Program, 30 high school students are available to assist students in different subject areas.

## ASC SERVICES

- Academic Support
- Success Strategy Workshops
