

ADVANCED PLACEMENT STUDIO ART

(grades 10-12)

Pre-requisite: 2 previous art or photo courses with a b or higher

AP 2D Design and AP Drawing are rigorous, college-level courses designed for students to develop their artistic skills and create a cohesive portfolio that showcases their unique style and voice. Through exploration of various mediums and techniques, students engage in a variety of projects that encourage creativity and critical thinking.

2D Design emphasizes digital design techniques, while Drawing focuses on drawing techniques. The importance of artistic process, self-reflection, and peer critique, enabling students to refine their abilities and articulate their artistic vision. By the end of the year, students submit a portfolio that demonstrates their growth as artists and their understanding of contemporary art practices, preparing them for further study in the arts or related fields.
