Alternative Physical Education - Rules and Guidelines

The Indiana State Board of Education has provided flexibility to adapt the high school physical education requirements for students who demonstrate proficiency through other means.

Activities that qualify for the Physical Education waiver:

Baseball	Marching Band
Basketball	Soccer
Cheerleading	Softball
Cross Country	Tennis
Dance/Poms	Track and Field
Football	Volleyball
Golf	Wrestling

Guidelines:

- One complete season of the above activity is required to earn one semester of physical education credit. A student is allowed only ONE waiver for alternative Physical Education credit.
- A complete season is defined as the first practice to the final event. The students must remain on the active roster the entire season or the duration of the activity.
- Credit will NOT be granted for any activities from previous school years.
- Credit will NOT be granted to move-ins for participation in activities from previous school.
- PE Waiver will be a one-time opportunity. It may not be repeated in different seasons or years.
- It is the **STUDENT'S** responsibility to provide all completed documentation to the Guidance Office as required.
- **If the Guidance Office does NOT receive the required forms by the specific deadline dates, no PE credit will be awarded.**

Requirements:

- Prior approval (signature) from parents, students, and coach/sponsor to participate in the waiver.
- Successfully complete the season or activity in good standing.
- Completion is defined as:
 - Participation from the start date to end date of the season.
 - The student may be removed from the team/group participation as a result of one or more of the following, therefore forfeiting their opportunity to earn Physical Education credit:
 - Academic ineligibility as determined by IHSAA requirements or activity leaders
 - Discipline (either team/group or school) resulting in removal from activity. Prolonged injury or illness that results in a loss of more than 1/3 of the season. However, if the athlete/team member remains in good standing with the team/group, maintains attendance with team/group, and actively participates in rehabilitation under the direction of a physician or school's athletic trainer, the athlete/team member may still receive credit
 - Any other reason as agreed upon by both the coach/director and high school administration.
- At the conclusion of the season/activity, the coach or sponsor will validate completion on the Final Credit Form.

For deadline dates regarding the Participation Contract and the Final Credit Form, please refer to the back of this sheet.
