

Nearing Retirement Seminars

Retiring in the next few years? These DRS seminars provide the information you'll need.

Getting ready for retirement can be a little intimidating. There are forms you'll need to fill out as well as some financial decisions to make.

This seminar walks you through the specific steps you need to take for retirement such as: how to request an official estimate, how to restore or purchase service credit and how to increase your retirement income with annuity options. There will also be time to discuss Social Security and health care.
