

## Referral to the Highly Capable Learners Program

Puyallup School District offers services to students who are identified as highly capable. Highly capable students are students who perform or show potential for performing at significantly advanced academic levels when compared with others of their age, experiences, or environments.

Students may be referred to be tested for the highly capable program by the student's parent(s), teacher, school staff, community members, or peers. Please complete a separate form for each referred student.
