

WELCOME! The Lakewood City School District is an award-winning public school district with excellence in academics, the arts, sports and community service. We are fortunate to call Lakewood, Ohio, home - a city that has earned many accolades locally and nationally. Students walk to neighborhood schools and enjoy a wide variety of programming to meet the educational needs of every student. The District looks to create opportunity-rich environments that allow our students to explore beyond the classroom walls. Partnerships with local colleges and universities, West Shore Career-Technical District, and our Community Recreation and Education Department provide many educational options for students and families. Our *Vision of a Lakewood Ranger* serves as the District's North Star and everything we do centers around building the competencies of critical and creative thinking, communication, collaboration, empathy, growth mindset and global awareness/citizenship.

DISTRICT MISSION

The District will nurture, educate and graduate students who are civic-minded and prepared to make ethical decisions; who are confident, competent communicators, skillful in problem solving, capable of creative thinking, who have a career motivation and a knowledge of our global and multicultural society.
