- High School Attendance Area

This map is intended to display a single public school district and the pertinent attendance area boundaries and public school locations. Attendance areas are only labeled if more than one exist for the district. School locations are labeled if they are classified as elementary, middle, or high schools.

The school district boundary appearing on the map does not necessarily represent the legal boundary of the district. It is a generalization of the boundary maintained by the Department of Education, based on land parcel information from Minnesota counties. Please contact your county auditor or assessor to obtain an accurate legal description of the boundary.
