2. The employee receiving the donation has experienced a catastrophic circumstance, as determined by the Superintendent/designee, that resulted in a zero (0) balance of the employee's sick leave, vacation days, and/or personal time off days.

Guidelines to request a donation of a day and/or how to donate a day to another employee may be requested through the District 112 Human Resource Department.

Section 2. Bereavement Leave:

Subd. 1. Use: All full-time employees will be granted, with administrative approval, up to five (5) bereavement days (40 hours), non-accumulative, for absence due to a death. The request for the childcare/adoption leave shall include the estimated commencement date and return date. It is the responsibility of the employee to pay the monthly premium amounts in advance and on such dates as determined by the District/Third Party Administrator. The right to continue participation in such group insurance programs will discontinue upon termination of employment, failure of the employee to pay the premiums to the District/Third party administrator, or the expiration of insurance availability under the insurance policy provisions. Since long-term disability insurance coverage replaces salary, and there is no salary for an unpaid/child care leave, long term disability insurance coverage is not available.

Subd. 8. Pay: A child care leave of absence granted under this Section shall be a leave without pay.

Section 4. General Leave:

commencing with the beginning of the leave (see District Website, Human Resources for specific coverage available). It is the responsibility of the employee to pay the monthly premium amounts in advance and on such dates as determined by the District/Third Party Administrator. The right to continue participation in such group insurance programs will discontinue upon termination of employment, failure of the employee to pay the premiums to the District/Third party administrator, or the expiration of insurance availability under the insurance policy provisions. Since long-term disability insurance coverage replaces salary, and there is no salary for an unpaid/child care leave, long term disability insurance coverage is not available.

- b) An employee on general leave shall retain such amount of sick leave days and other accrued benefits which he/she had accrued, if any, at the time he/she went on general leave for use upon his/her return. No additional sick leave, vacation, or bereavement shall accrue for the period of time that a member is on general leave.

Subd. 4. Returning from General Leave: Upon completion of a general leave, the employee shall return to an equivalent position in the District unless discharged or the position held prior to leave is eliminated.

Section 5. Leave Extensions for General and Childcare/Adoption Leave: Employees on general or childcare/adoption leave shall notify the Director of Human Resources by mail of their intention to request a leave extension according to the following schedule:

- a) By February 1 when the return of said yearlong leave was intended to coincide with the opening of school.
- b) In the case of partial year leaves, at least sixty (60) days prior to the scheduled return date.

Applications for extensions will be acted upon no later than March 1 as per conditions listed in a) above, or no later than thirty (30) calendar days prior to the specified return date, as per conditions listed in b) above.

Employees will be notified of the status of their extension application by mail. Should the extension be denied, the employee is expected to return on the date arranged at the time of the leave approval.

Section 7. Jury Duty:

An employee who serves on jury duty shall be granted the day or days necessary as stipulated by the court to fulfill this responsibility without any salary deduction or loss of basic leave allowance. The compensation received for jury duty service shall be remitted to the School District, less the

mileage per diem and other expenses as regulated by State guidelines. To qualify for this payment, the employee must return to his/her regular duties on being dismissed from jury duty.

Section 8. Military Leave:

Military leave shall be granted pursuant to applicable law.

Section 9. Religious Leave:

Employees shall be granted one (1) day of religious leave per year with no loss of pay upon verification to the Superintendent or his/her designee that the purpose of the religious leave is a traditionally required religious observance of their particular faith and/or creed. The Superintendent or his/her designee may grant additional leave with pay.

Section 10. Personal Injury on Duty Leave:

An employee's disability as a result of assault on school premises or while acting in an emergency capacity for the School District on its premises will not be charged with a loss of sick leave or personal leave benefits for the length of time required for the recovery or for any recurrence thereof. Sick leave or personal leave would not be used when long-term disability benefits are available under any insurance provided by the District.

Section 11. Workers' Compensation:

Subd. 1. Compensable Injury: When an employee is absent from work as a result of a compensable injury under the provisions of the Workers' Compensation Act incurred while in the employ of the School District, the School District will pay the difference between the compensation received pursuant to the Workers' Compensation Act by the employee and the employee's regular rate of pay to the extent of the employee's earned accrual of sick leave and/or vacation pay.

Subd. 2. Deduction: A deduction shall be made from the employee's accumulated vacation or sick leave accrual time according to the portion of days of sick leave or vacation time which is used to supplement workers' compensation.

Subd. 3. Payment: Such payment shall be paid by the School District to the employee only during the period of disability.

Subd. 4. Additional Compensation: In no event shall the additional compensation paid to the employee by virtue of sick leave or vacation pay result in the payment of a total daily, weekly or monthly compensation that exceeds the compensation of the employee.

Subd. 5. Sick Leave or Vacation Pay: An employee who is absent from work as a result of an injury compensable under the Workers' Compensation Act who receives sick leave or vacation pay pursuant to this section shall submit his/her workers' compensation check, endorsed to the School District, prior to receiving payment from the School District for his/her absence, pursuant to Section 12., Subds. 1-4 above.

Subd. 6. Entitlement: Employee's shall not be entitled to sick leave benefits under this section if they are injured while in the employ of another employer, nor shall an accrual of such benefits occur during the period of convalescence from that injury.

Employees shall receive the daily rate of pay in unused sick days accumulated after the first thirty (30) days, up to one hundred (100) additional days upon leaving the District for retirement. The daily rate of pay will be calculated by dividing the base salary (yearly salary and longevity) by 260 days. Payment for unused sick leave shall be at the time of retirement or upon leaving the District in the following manner. 100% shall be paid in the employee's name to the district designated Health Care Savings Plan (HCSP). 0% shall be paid in the employee's name to a 403b plan. 0% shall be paid to the employee in cash.

Section 2. Eligibility to Participate in District Group Insurance Plans at Retirement:

An employee, retiring from District 112, and under the provisions of the Teachers' Retirement Association (TRA), or Public Employee Retirement Association (PERA) and who is enrolled in the District's insurance plans, may continue to participate in group insurance programs (health insurance, dental insurance, life insurance, supplemental life insurance) as permitted under the insurance policy provisions provided the Association member pay the entire premium for such group insurance programs commencing with the beginning of the retirement (see District Website, Human Resources for specific coverage available). It is the responsibility of the Association member to pay the monthly premium amounts in advance and on such dates as determined by the District/Third Party Administrator. The right to continue participation in such group insurance programs will discontinue upon the failure of the Association member to pay the premiums to the District/Third party administrator, or the expiration of insurance availability under the insurance policy provisions. Since long-term disability insurance coverage replaces salary, and there is no salary for a retiree, long term disability insurance coverage is not available.
