Meet Allison Jordan, Supervisor of Community Education

Allison Jordan is the Supervisor of Community Education, overseeing various educational programs, including Targeted Services, Adult Basic Education, and Youth Enrichment, among others. Before joining Community Education, Allison was a classroom teacher at Harriet Bishop. With extensive experience in education, Allison brings valuable expertise to this role.

The theme of our Winter/Spring catalog is "What Lights Your Joy." We are excited to continue offering programs such as chess, Everyone Plays after-school soccer, Maker Space, and Cooking with Jackie Mart. Each season, we strive to introduce new and innovative offerings for our families in ISD 191. This year, we are adding two basic sewing and etiquette classes. We hope you find something that brings you joy to register for this Winter/Spring!

Allison Jordan ajordan@isd191.org

Cooking for Kids with Optimum Wellness

Age 6-16 All supplies included

Creative

Adult/Child Paint Date

This class is a fun "Date Night" for you and your child to paint together. No experience is needed, this class is about spending quality time with your child and having fun. Each person is provided a 16 x 20 canvas, acrylic paints, and all the supplies needed to create their own masterpiece that can stand alone or be hung side-by-side for a combined work of art. The instructor will lead you step-by-step through the painting. Dress for a little mess.

In this camp students will be learning the basic knowledge about sewing and we will create projects from scratch. We will be using hands and sewing machine techniques. All material included.

Nena Rivas

Sat 1-4 pm DEC Rm 1015 \$89
EBS-3A Feb 8
EBS-3B Mar 22

Class locations listed as DEC are held at Diamondhead Education Center,
200 W Burnsville Parkway, Burnsville,

Minimum registration must be met at least six business days in advance of class meeting date. PC needed (Windows or MacBook). Will not work on Chromebook, tablet or phone. Class information will be sent the week of class.

Extreme Coding Artificial Intelligence Grade 3-6

Dive into more advanced computer science topics, including augmented reality, artificial intelligence, and machine learning. Computers are getting smarter every day due to advances in machine learning algorithms. Coders can teach computers to recognize faces, play games, and find patterns. In our class, we will create a chatbot, Rock Paper Scissors game, and more. Additional Technical Requirement: Scratch instructions will be emailed.

TAI-03 S Mar 1 9-11 am \$39

Dungeons and Dragons 101 Character Creations Grade 3-6

What's it like to play Dungeons and Dragons? Dungeons and Dragons, a timeless game of fantastical elements such as magic, mythical creatures, and fairies, offers great opportunities to develop problem-solving skills, team-building abilities, and creative thinking that cannot be replicated elsewhere. Start by learning its basics, creating your own character, and embarking on an amazing role playing game.

TDD-03 S Feb 8-15 10:30 am-12:30 pm 2 sessions \$79

Intro to 3D Printing Grade 1-4

This 3D printing camp takes students through the 3D printing process from start to finish. Students will be designing a keychain, and the 3D print will be mailed home. No experience is necessary, but familiarity with doing common tasks using a computer and keyboarding is required. Fees listed include printing fee for one project. Additional Technical Requirement: TinkerCAD (login information provided during class)

TIP-03 S Apr 5 8-9:30 am \$49

Virtual Reality Coding Grade 3-6

Design, develop, and create 3D Virtual Reality environments and characters to make your own 3D games and other virtual reality projects with CoSpaces. CoSpaces is an incredibly fun and stimulating way to learn STEM! VR programs can be viewed on most mobile phones, and VR Systems like oculus or google cardboard. You only need a laptop/computer to get started. Additional Technical Requirement: CoSpaces Edu (login information provided during class). To view VR, you must have phone-compatible VR glasses. But worlds can be viewed on normal PC/ Phones/Tablets in 3D.

TVR-03 S Apr 5-12 10:30 am-12:30 pm 2 sessions \$69

Pokemon Game Coding Grade 2-6

Students will be introduced to programming concepts using Scratch. Learn to create an interactive 2D video game using your FAVORITE Pokemon characters. Scratch is a drag-and-drop creative coding platform developed by MIT. Additional Technical Requirement: Scratch and scratch account- Instructions will be emailed

TPG03 S Apr 12 8-9:30 am \$35

Classes at William Byrne

Maker Space Mania Grade 2-5

Be a maker using high tech robotics and coding, low tech building projects, arts and crafts and strategy games. Makers work collaboratively to discover, create, explore and play. Maker Space helps students develop valuable life long skills in the most fun environment.

TLM- 3B Feb 5-26

Music

Piano, Guitar & Voice Lessons

30-minute individual lessons are held at Diamondhead Education Center

Contact Community Education to discuss availability, 952-707-4150

Provide the times that work for your schedule. We will connect with the instructor and confirm your specific time. Total fee owed is based on the number of lessons per class, which may vary depending on facility availability. Payment is due at the time of registration and in advance of services. Payment for the next series of lessons must be received 1 week prior to your last scheduled lesson. Acepto estudiantes que hablan español.

Piano and Guitar Age 6-adult \$35/half hour

Material fee piano \$40, Material fee guitar \$15
Through a patient and encouraging teaching style, Jared creates a supportive learning environment where students can explore their musical potential, build confidence, and create their own music. Material fees are payable to the instructor in class at the first lesson. Students must have access to a guitar, keyboard or piano for practice at home. Parents can expect to engage in daily conversation centering on the student's success.

With 16+ years of piano experience, 10+ years of guitar experience, coupled with 4 years of music teaching, Jared Nelson is a dedicated and passionate music instructor committed to fostering musical talent and personal growth. Jared offers comprehensive lessons tailored to beginners on the guitar and up to intermediate students on the piano. The lessons are designed not just to teach music but to serve as a springboard for personal development and intergenerational dialogue.

Also check out Let's Play-Human Beatboxing & Vocal Percussion on page 3

Voice Age 10-adult

\$40/half hour- no additional materials fee

Mondays between 4:30 and 8 pm

Students complete a vocal warm up, breath exercises, and dive into a song of your choosing. Learn to connect with your breath, approach music with curiosity, and build a foundation of vocal technique to prevent injury. Develop skills of expression, reading music, diction (in various languages), resonance, and pitch. You'll receive feedback to support your practice between lessons. Provide songs or music of your choice. All selections will be age-appropriate to preserve vocal health.

Instructor Varinia Nelson believes that singing is a gift of self-expression, self-awareness, exploration, and fun! She's studied music for more than 20 years with thirteen years of formal classical voice training in opera, lieder, and musical theater. Varinia wants students to walk away with greater grace for themselves, greater joy in challenges, and greater gratitude for our personal instruments.

Piano Age 4-adult

\$35/half hour. Material fee approximately \$10

Sisi's nurturing and encouraging approach, combined with a focus on technical excellence and artistic expression, creates a supportive environment for her students to thrive and grow as musicians.

Simin (Sisi) Schumacher is a seasoned piano instructor with a genuine passion for music education. With over 15 years of experience teaching piano, she has mastered the art of guiding students of all ages and abilities on their music journey. Sisi holds a Master's in Western Classical Music/Piano Performance and a second Master's in Music Education from Texas Tech University which equips her with both technical expertise and effective teaching methods.

Gymnastics

IGM Classes are "So Much Fun, Kids Will Flip!"

All IGM gymnastics programs are designed by age groups. The curriculum focuses on core gymnastics skills, flexibility, and exercise training, while assisting in children's over-all growth, strength, and coordination.

All IGM classes and camps are held at IGM Gymnastics Center, 12117 Riverwood Dr, Burnsville.

Boys Beginner Age 5-10

Develop and strengthen skills consistent with the 10 levels of men's gymnastics. Including floor, vault, rings, parallel bars, high bar and pommel horse. Practice ends on trampolines. Fun and challenging skills motivate gymnasts to continue.

Dance

Mayer Arts Dance

Mayer Arts teaches students proper technique, terminology, body awareness, and an appreciation for the arts. Their goal is that students find a love for the arts, build healthy habits and self-esteem: skills that are helpful throughout their lives. **No class Mar 31**

Wish Upon a Ballet Age 3-6

A dance program for children that incorporates popular children's stories as well as ballet stories to create a dance class that is more than ballet steps. Using musical instruments, parachutes and scarves we will create a complete fairy tale experience while we skip, leap, jump and spin. Children will learn an appreciation of dance and music while developing strength and flexibility. Parents, family and friends will be invited to observe a special performance at the end of each session. Come join the fun! Students will need ballet shoes and comfortable clothes they can move around in. Shoes will be available to order on the first day of class for an extra fee. Students must be potty trained.

TGA Pickleball

TGA (Teach. Grow. Achieve.) is excited to introduce youth Pickleball classes! Similar to tennis, this fast-paced, ultra-fun, and highly accessible sport is perfect for all ages. With classes held right at school, we teach the fundamentals using real equipment (all provided) and allow students to learn through interactive games, drills, and real matches. Students will also explore relevant academic concepts through gameplay while practicing life skills such as sportsmanship, integrity, and perseverance. Bring a water bottle to class.

TGA creates a safe environment and provides individualized attention, meeting each student where they are in their journey and progression.

Ninja Warrior Training

Ninja classes held at the Burnsville Conquer Gym
3203 Corporate Center Drive in Burnsville.

All classes are coached by experienced Ninja Trainers
All experience and fitness levels are welcome

Intro To Ninja Age 5-13

Develop the strength, agility, style and technique to master Ninja inspired obstacles, like warped walls, angled steps, salmon ladders, cliff hangers and tilted ladders. Increase flexibility, coordination and problem solving skills that you can apply to ninja levels and testing or to enhance other athletic performances.

Wed 8 sessions \$190

Conquer Ninja Rec Team

Ninja Obstacle Training is super popular with kids, and it's easy to see why. You practice on real obstacles inspired by the TV show like warped walls, salmon ladders, tilting ladders and so much more. It's a fun way to develop confidence, strength, endurance, balance and friendships. You benefit from training in agility, power, perseverance, and resilience: attributes that all athletes strive to improve. Rec team members develop their Ninja Skills with over 40 different obstacles. 6 practices, 2 competitions. No class Mar 28

BrainPower in a Backpack

BrainPower in a Backpack is ISD 191's Hunger Relief Project sponsored by 191 Community Education and Burnsville High School Youth Services benefiting all students, staff and families. Burnsville High School student volunteers pack 600 to 700 weekend food packages available to all ISD 191 students in preschool, elementary, middle and high schools to help families who struggle to put enough food on the table. Because academic performance is related to nutrition, BrainPower's goal is to improve the student learning experience for children with the greatest need in ISD 191.

Community Education Refund Policy

Classes Canceled by Community Ed

Community Education reserves the right to cancel any activity. Community Education will make every effort to contact registrants 48 hours before the scheduled start of the activity. Complete refunds will be given when this occurs.

If you cancel your registration

Call 952-707-4150 to cancel a registration. If you cancel more than 5 business days before the class you will receive a refund less a \$10 processing fee. If you cancel less than five business days before the start of the class or activity there will be no refund. No refunds on activities that are mailed to your home, nor for online classes once the meeting information has been sent.

Emergency Cancellations

When severe weather or other emergencies affect the regular school day, daytime community education activities or ones that meet immediately after school are also canceled.

Charges for Returned Checks

ISD 191 has contracted with Account Liquidation Services to collect funds for returned checks. Charges related to returned checks are determined by Account Liquidation Services.

Ready for School?

If you have a 3, 4 or 5-year-old, check in with us before kindergarten to make sure your child is on track.

Register today!

What is early childhood screening?

Screening is an early look at a child's development and begins as early as age three. This can give parents peace of mind that their child is developing normally, and if needed, allows health and developmental concerns to be addressed at least one to two years before a child enters kindergarten.

The state of Minnesota requires health and developmental screening for every child before they start kindergarten. Burnsville-Eagan-Savage District 191 offers this service at no cost.

Early childhood screening checks:

Fine and gross motor skills

Height and weight

Vision and hearing

Cognitive and social development

Speech and language development

Immunizations

Early Childhood programs include ECFE classes, Screening, Preschool, Ready To Grow/Learn - Early Care & Education

ECFE Early Childhood Family Education

Our classes provide families with warm and welcoming environments designed with the whole family in mind. Activity time is rich with play & learn stations that spark curiosity and exploration for parents and children. Enjoy quality time with your child, meet new people and see old friends.

Parent discussion time supports adults and provides information helpful for parenting in today's world.

Two hour classes consist of parent-child activity time, followed by parent discussion, which is led by a licensed Family Educator in a separate space. During 90 minute classes, parent discussion may be less formal since families stay together the entire time.

Registration is Ongoing

Tuition is based on a Sliding Fee Scale which is determined by income. Full payment must accompany each registration.

Winter Quarter January 2-March 28

No class Jan 17, 20, Feb 17, Mar 5, 6, 7, 31, Apr 1-4
