DIGITAL ARTS PATHWAY

David Hevel

Digital Arts Instructor
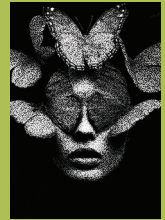

1 — DESIGN A/B (grades 9-12)

The Digital Arts Pathway begins with Design A/B a focos on learning Adobe Photoshop on the computer. We make iPad paintings, portraits, fashion design, surrealistic photos, and product design.
Earn 3 units of college credit in this class.

2 — ART 2: GRAPHIC DESIGN (grades 10-12)

Learn how to use Adobe Illustrator and become professional magazine editors! We make logo designs, t-shirt and product designs, and illustrate a children's book. This class is in charge of publishing 15-20 CHS Photography and Digital Arts magazines.
Earn 3 units of college credit in this class.

3 — ARTDM214 - DUAL ENROLMENT

Dual enrollment is when a student takes an extra college class while in high school. ARTDM214 is Intro to Graphic Design at Diablo Valley College. This after school class explore more about this field.
Earn 3 units of college credit in this class.

4 — AP 2D DESIGN (grades 9-12)

Some students complete their pathway with an Advanced Placement 2D Design. You create an independent project and work on it throughout the year, finishing a portfolio for the AP exam in May.
