Question #1

Can a copy of the DSA plans be made available? They would be helpful in providing you with and accurate cost and timeline.

District Response #1

DSA approved plans are being made available not for pricing purposes but to show the scale and scope of the projects. As noted in the RFQ, the DSA approved project would be subject to design revisions to accommodate adjustments in equipment and/or schedule.

It should also be noted that the RFQ is only requiring the submittal of a Statement of Qualifications. Firms short-listed from the RFQ process will be issued the RFP which will include requirements for submitting costs and timelines.

**RECEIPT OF THIS ADDENDUM (AS WELL AS PREVIOUSLY ISSUED ADDENDA) MUST BE
ACKNOWLEDGED IN THE PROPOSAL.**
