

GOOD SHEPHERD CATHOLIC SCHOOL

Crusader Chronicles

July | 2024

Good Shepherd Catholic School develops successful students with the support of the entire community. Our students reach their maximum academic and personal potential in a safe and nurturing environment, leading them to be people of faith, socialization, and character through study and service.

We Walk by Faith

"Peter said to him in reply, 'Lord, if it is you, command me to come to you on the water.' He said, 'Come.' Peter got out of the boat and began to walk on the water toward Jesus (Mt. 14:28-29)."

The Walk on the Water is just one of the faith walks found in the Gospels. The joyful walk of Mary to visit Elizabeth, the pregnant walk of Mary and Joseph to Bethlehem, the teaching walk of Jesus toward Jerusalem, the holy walk of Jesus to Calvary, and the sad-turned-jubilant walk of the two disciples to Emmaus are just a few examples of faith journeys.

This school year we shall focus on our faith walk. This faith walk relies upon our trust in God and his providential care for each of us. To support us on our way, we shall recall the gifts of the Holy Spirit received in Baptism and strengthened in Confirmation. One of the seven gifts of the Holy Spirit will be highlighted each month.

I could not think of a better theme for this school year as I begin my walk at Good Shepherd along side each and everyone of you in this faith-filled community. We will all use each of our unique gifts to help this community grow, learn about one another and grow closer in our relationship to Christ.

Let us pray ...

for a continued restful summer, that we may feel rejuvenated to return to fulfill the Good Shepherd Mission.

for all of those who are ill, that they may find strength and comfort in Christ.

for all the intentions of the Good Shepherd community.

Updates

We bid farewell to Miss Tracy and express our huge gratitude for all that she has done for Good Shepherd. She has accepted a new position where she can continue to help the mission of Catholic education grow.

Please help me give a warm welcome to Elizabeth Cartier as the new Science and Religion Teacher. She brings with her a wealth of experience, especially with hands-on learning. We would like to also welcome Elizabeth Glynn who will be joining this family as our Technology teacher and in providing guidance lessons to our students.
