### **ALLOWABLE DEDUCTIONS:**

A. Tax Deferred Annuities and Other Qualified 403(b) Plans. (Note: For this section the term "annuity" shall apply to all qualified 403(b) plans.)

1. School employees may designate part of their salary to be set aside by their employer and paid directly to a company which provides a deferred or tax sheltered annuity. The purpose of a tax deferred annuity is to defer that portion set aside from being included in current income subject to income tax. This money would be paid by the company to the holder of the contract at retirement when his annual income would presumably be less. It is a legal way to defer paying income taxes on current earnings.
2. The Board provides payroll deductions for a program of tax sheltered annuities. Those who wish to participate in such a program must enroll with a company approved by the board of Education. There are two enrollment periods per year. Contact the central office for further details.
3. Cancellation must be received in writing.

B. Social Security

1. The contributions to social security are withheld and sent directly to the Social Security Fund.
2. If you have income from another School Corporation in Indiana from which social security tax has been withheld during a calendar year, this deduction is counted and your deductions discontinued when the amount required has been withheld. Deductions from sources other than Indiana schools beyond that required are not refunded but may be used as a credit on your federal income tax at the end of the year.
3. TCSC contributes to the Social Security Fund an amount equal to that contributed by the employee.

C. Credit Union

A credit union is available to all employees. Low cost loans, savings dividends, checking account, Christmas club savings, and life savings insurance are available. Ask your supervisor or credit union representative for further details. The credit union office is located a 201 North Main Street, Tipton, IN 46072

#### D. Direct Deposit

Employees are required to participate in automatic (direct) deposit of payroll checks to checking and/or savings accounts of the employee in any financial institution recognized for direct deposit by the employer's originating bank.

**MATCHING ANNUITY PROGRAM:** TCSC offers a matching annuity program for all eligible employees. To participate in this program, employees must match the corporation's designated contribution and work a minimum of seventeen and a half hours (17.5) hours per week. (This benefit is NOT available for cafeteria employees.)

1. The Board will purchase an annuity for each eligible employee at a designated rate of the employee's base salary per school year. The provider for this annuity shall be mutually agreed upon by the Board of Education and the TEA. The annuity purchased by the corporation requires a two-year vesting period.
2. The employee must purchase an annuity equal to or greater than the annual amount paid by the corporation in order to participate in this annuity program. For the employee's matching share the employee's annuity program must be one of the corporation approved annuity companies. An annuity purchased by an employee is the sole property of the employee.
3. Employees must indicate their choice of participation in this matching annuity program no later than September 15<sup>th</sup> of each school year.

**COMPLIMENTARY TICKETS:** TCSC will give a complimentary pass to each full time employee for himself / herself and one guest to all extra curricular events (athletic, dramatic, musical, etc.) under the auspices of the School Corporation. ## **EMPLOYMENT**

### **RESPONSIBILITIES AND DUTIES OF SUPPORT STAFF**

Support staff, as a vital factor in accomplishing the mission of TCSC, must represent themselves, the schools, and the community with dignity and honor and perform all tasks required of the position. To provide structure and guidance-for employees, job descriptions defining responsibilities and duties, approved by the Superintendent, will be provided to each employee.

**AUTHORIZATION AND HOURS:** All hours, number of days worked per year, and rate of pay must be authorized by the School Board. Wages are earned and will be paid only for days worked, authorized leave days, authorized holidays, or paid vacations.

#### **PAYROLL INFORMATION:**

- To comply with federal regulations, new employees must complete Employment Eligibility

Verification Form (I-9) verifying they are U.S. Citizens or aliens legally authorized to work in the United States. This form must be completed within three days of employment.

- W-4 Federal tax forms and state tax forms must be completed prior to the first pay.
- Tax forms may be changed at any time throughout the year if changes are needed in tax withholdings.
- Direct Deposit Advice Slips will be distributed **to employees through Doculivery** (<https://my.doculivery.com/External/TiptonSchools/Login.aspx>). **Information on accessing this site will be given at the time of employment.**
- The annual amount earned by employees, excluding hourly personnel, will be computed and handled as a salary. This amount will be divided into the number of pays noted on the “Payroll Information Sheet”

**TIME CLOCKS:** The time clock record is the official record of working hours and attendance for support staff employees. The employee's daily responsibilities include clocking in and out. Payroll checks will be based on the information received from the daily print-off generated by the time clocks. It is extremely important that employees clock in and clock out on a daily basis. If an employee does not clock in, he/she will be listed as absent and will not be paid for that day unless work verification is submitted to the payroll office by his/her supervisor within the same pay period. If the work is not verified until after the payroll has been run, he/she will be paid for the missed time on the next paycheck.

#### **CLOCKING IN AND CLOCKING OUT**

1. Employees are to clock in and clock out each working day.
2. Failure to properly clock in or clock out will be grounds for disciplinary action, up to and including termination.
3. Falsification of a time clock record will be grounds for disciplinary action, up to and including termination.

#### **WHAT TO DO IF AN EMPLOYEE FORGETS TO CLOCK IN OR OUT**

1. Part of an employee's daily duties is to clock in and out every day. Repeated failure to clock in and out will result in disciplinary action being taken. In the event an employee forgets, he/she must IMMEDIATELY notify his/her supervisor or principal, by completing a Time Modification Sheet.
2. The Time Modification Sheet must be completed and signed by the employee and the employee's supervisor. All Time Modification Sheets must be submitted to the payroll office verifying the appropriate information.
3. Corrections must be made before the end of the pay period to insure the employee will be paid for the hours verified by the supervisor or principal. If the correction is not made until after the payroll has been run, payment will be on the next paycheck.

**5-YEAR SERVICE INCREMENTS:** Classified personnel will receive 5 year service increments (continuous years) as shown below:

Less than 190 days per year	\$500
-----------------------------	-------

190-223 days per year	\$600
224 + days per year	\$750

- The amount will be added to the next school year's pay.

**ATTENDANCE:** Employees are hired to fill positions because there is a need to provide services to our schools. Those services cannot be provided if employees are not in attendance. Therefore, regular and prompt attendance is required. Excessive absences, tardiness, leaving early, and/or using more than three (3) deduct days will not be tolerated and may be grounds for disciplinary action, up to and including termination.

**DOCKED TIME/COMP TIME:** Unpaid days are intended for limited use in case of emergency only. An unpaid day must be approved by the immediate supervisor, building administrator, and the central office. Unpaid leave will be granted only when all other forms of available and appropriate leave (e.g., personal days, vacation days) have been exhausted. If an employee requests an unpaid day when other leave is available (personal days, vacation days), a deduction from the other leave will automatically be implemented at the central office and the employee informed of such action. Unauthorized and/or excessive use of a day without pay may lead to disciplinary action, including termination.

Comp time is defined as work time allowed to make up for missed time at work. Comp time is to be assigned only in cases of emergency where the employee has a prior arrangement with the supervisor. Comp time must be completed within the two-week pay period. The supervisor will document and initial all comp time hours.

At the discretion of the Superintendent, employees may be compensated for such overtime worked by means of compensatory time. Compensatory time, or "comp time," is a practice of allowing an employee to take extra time off from work after a long week, instead of being paid overtime wages. Just as with overtime pay, if hourly support staff is requested **and authorized** by the Superintendent to work in excess of forty (40) hours in any workweek, compensatory time may be awarded at the rate of one and one-half times the overtime hours worked. The time off must be taken during the same pay period that the overtime hours were initially worked (not weeks or months later). In no case may the employee accumulate more than twenty (20) hours of compensatory time in any six (6) month period. The time during which compensatory time may be used is subject to the prior approval of the Superintendent or designee.

**OVERTIME:** The workweek shall begin at midnight on Sunday and extend to midnight on Saturday. Hourly employees are not expected to work in excess of forty (40) hours in any given week that would result in overtime pay. If hourly support staff is requested **and authorized** by the Superintendent to work in excess of forty (40) hours in any workweek, compensation will be paid at the rate of time and one half. Employees must actually work 40 hours before any overtime is paid; use of a leave day of any type during the week would disqualify an employee for overtime pay.

Employees requested and authorized by the Superintendent to work on paid holidays will be paid double time. Normal building checks by supervisors are not included for such pay. Failure to obtain

prior written approval for overtime could result in disciplinary action being taken.

**INTERNET USAGE:** TCSC-provided access to electronic information, services, networks, personal email and Internet use is covered by Board Policy. Each employee must sign the Authorization as a condition for using the school corporation's Internet connection.

## **LEAVES & ABSENCES**

**The following leaves are available to employees after the successful completion of the 30 working day probationary period.** A **Leave Request Form** must be filed **in advance** with the building principal or immediate supervisor when requesting any of the following leaves. In an emergency situation, as in the case of illness or a personal crisis, classified employees must immediately notify the building principal or immediate supervisor. For custodial, maintenance, cafeteria, and transportation staff, all Leave Request Forms must be completed and signed by the employee and supervisor. In emergency cases, the Leave Request Form should be signed by the supervisor and submitted to the payroll office. The employee shall sign the leave request form upon their return.

**BEREAVEMENT LEAVE:** In case of death in the immediate family a classified employee is entitled to be absent from work without the loss of compensation for up to five (5) consecutive days and an additional five (5) days, if requested **may** be granted within sixty (60) days following interment for related reasons.

2. Employees may be required to provide a medical certificate of illness. Sick leave is only for **personal illness** or disability.
3. Any unused sick days at the end of a year will carry over to the next year. Said accumulative days to carry over for all employees may not exceed ninety (90) days.
4. An employee who is granted an **unpaid** leave of one (1) month or longer during the school year shall have sick leave credits for **the following** year reduced by one (1) day for each month of absence.
5. Transfer of sick leave. A classified employee may grant accumulated sick leave days to classified/certified employees who have no sick leave balance. Transferred days may only be

used for the personal illness of the requesting employee.

- a. The process is to be totally voluntary.
  - b. Only whole days will transfer.
  - c. Days must be granted in the year of sick leave expiration.
  - d. An employee requesting a transfer of additional sick leave may do so only after all forms of paid leave (sick days and personal days) have been exhausted and a minimum of one (1) unpaid day per request has been taken. If a transfer request is for multiple consecutive days the one (1) unpaid days criteria must be met only once per school year. In the event an employee has been absent a minimum of ten (10) consecutive school days utilizing any combination of one's accumulated sick and personal leave and said absence has caused the employee to exhaust all accumulated sick and personal days, the requirement of days without pay shall be waived.
  - e. Accumulated sick days will not be transferred from the account of an employee who is leaving the employment of this School Corporation.
  - f. The Board will not contribute to the account of any employee.
  - g. The maximum number of days which may be transferred to an employee is the number of days required to carry him through the elimination period of the then existing long-term disability insurance policy.
  - h. Sick days may be transferred at a rate of one day per employee per request. If a second request is made, the rate of one day per employee per request shall apply.
  - i. An employee requesting additional sick leave may retain one (1) personal day when making this request, which, if unused, will not convert in any manner after that contractual year.
6. Employees who abuse the provisions of these sick leave guidelines shall be subject to disciplinary action, which could include termination.

Only full time bus drivers shall be granted one (1) day of leave per year for personal business. **The use of these days before or after a holiday, break and/or vacation will not be allowed.**

**JURY DUTY:** Employees will receive the difference between their **regular pay** and witness or jury pay when they are subpoenaed as witnesses in court or to serve as a juror. It is the employee's responsibility to secure from the court and forward to the central office, verification of the court duty and the amount of payment for such duty.

**MATERNITY LEAVE:** Disabilities caused or contributed to by pregnancy, miscarriage, legal abortion, childbirth, and recovery therefrom shall be treated as temporary disabilities for all job-related purposes. Accumulated sick leave shall be available during periods of such disability when the employee is unable to work due to her pregnant condition. The employee's attending physician must certify that her pregnancy prevents her from working for a specified length of time, if the employee is to be eligible for sick leave benefits. Disability leave beyond any accumulated sick leave shall be available, without pay, consistent with state law, for such a reasonable further period of time as an employee is determined by her physician to be disabled from performing the duties of her job because of pregnancy or conditions attendant thereto. The payroll department must be informed as to the beginning and ending dates of the leave, which must be Board approved.

**OTHER LEAVES:** Leaves of absence, without pay, for reasons of ill health, adoption, education, work exchange program, military service, elected office duty or other justifiable reason may be granted by the Board on recommendation of the Superintendent. The payroll department must be informed as to the beginning and ending dates of the leave.

New Year's Day	Day after Thanksgiving
President's Day	Christmas Eve
Memorial Day	Christmas Day
Fourth of July	New Year's Eve
Thanksgiving	

Twelve (12) month employees working in the Central Office are given Fall Break in addition to the above mentioned ten (10) holidays. **In the event that President's Day is used as a flex day, the Friday of Spring Break will be used as a vacation day in its place.**

Employees must have a paid day before and after the holiday. A doctor's slip may be required to verify absences a day before or after. When a paid holiday falls on Saturday, the preceding Friday will be taken off. When a paid holiday falls on Sunday, the following Monday will be taken off.

**VACATION DAYS:** All employees are to take their vacations on a calendar-year basis from January 1 to December 31 and shall be scheduled by agreement with the building principal or supervisor. Vacation leave does not accumulate from one year to the next and is granted only to twelve (12) month full-time employees. Payment in lieu of vacation is permitted upon approval of the Superintendent for a maximum of five (5) days. Additional stipulations related to vacation days can be found in Administrative Guidelines 4433.

New employees to the Corporation shall receive a prorated number of days of vacation to be used in the

following calendar year based upon the month in which they were hired. For example, using the chart below, an employee hired in July **2014** would be eligible for six paid vacation days beginning January 1, **2015**. April	8	August	5	December	1

A full time employee who has completed 10 full years of continuous service shall be eligible for 15 days of vacation on January 1 of the following year.

**EVALUATIONS:** Evaluation is a continuous process to improve employee performance and to provide a formal opportunity to commend, recognize and encourage an employee for a job well done. Evaluations also provide an opportunity for communication between the employee and the supervisor.

Classified employees are evaluated annually by their supervisor or building principal. The results of these evaluations are to be in written and electronic form using Standards for Success and discussed with the employee by his/her supervisor/building principal and signed by both parties. The supervisor will retain one copy of the signed evaluation; one copy of the signed evaluation is to be given to the employee; and one copy of the signed evaluation is to be sent to the Superintendent's Office to be placed in the employee's personnel file.

Job performance will be informally measured at all times. Unsatisfactory performance will be brought to the employee's attention by their supervisor as soon as it is noted. If the employee does not correct the situation the failure may be included in their employment record. Poor job performance or attendance can be cause for dismissal.

The employee's signature on the evaluation does not indicate agreement with the evaluation but indicates his supervisor discussed the evaluation with him/her. The employee will have the right to respond in writing to an unfavorable evaluation.

**PERSONNEL FILE:** An employee may view the contents of his/her personnel file by making an appointment with the Superintendent or his designee. An employee's personnel file is confidential except as provided by law.

**WORK SCHEDULE:** Work schedules shall be determined by the appropriate building administrator or designated supervisor.

**SCHOOL BREAKS:** All employees (teaching assistants, cafeteria employees, nurses, bus drivers) except those working 12 months will observe winter recess and spring break. Twelve-month employees may use vacation days during these school breaks.

**SCHOOL CANCELLATIONS, DELAYS, and EARLY DISMISSALS:** The following guidelines have been established in determining who is to report to work on days that have been designated as “Snow Day(s)” by the Superintendent. “Snow Days” are defined as any days that a school in the system has been declared to be closed by the Superintendent of Schools.

- Classified personnel will not report to work, but will work and be paid for the rescheduled day(s).
- If a snow emergency is declared, only essential personnel will be required to work upon direction of the superintendent.
- When a 12 months employee is unable to report for work as scheduled because of snow days, inclement weather or road conditions, upon approval of their immediate supervisor they may:
  1. use available personal business leave,
  2. use available paid vacation time,
  3. have a deduction from pay for time missed.

On days when school is delayed or dismissed early, all hourly employees will be paid for the hours they work. When school is delayed, dismissed early, or closed due to inclement weather, some support staff may be required to report to work by the Superintendent or building principal, and if so will be paid accordingly. Hourly employees who work less than 12 months will not be compensated for the missed time.

## **COMPENSATION**

**WAGE RATES:** Wages are established by the Board of School Trustees.

**SUBSTITUTE BUS DRIVER:** Any hourly classified employee who completes TCSC Bus Driver Training and/or successfully earns appropriate motor vehicle licensure (all paid by TCSC) is eligible for a \$1.00 hourly premium. Eligibility requirements are as follows: **active CDL license, drive at least 3 ECA trips** (at the rates outlined in the Transportation Handbook) and **substitute bus driving** when needed.

**OFF-SCHOOL WORK:** When an employee is required by his/her supervisor to perform a work assignment at a location away from his/her normal work location, he/she is eligible for pay as provided by the Fair Labor Standards Act. All off-school work requests must be submitted in advance for written approval by the supervisor.

- When traveling by personal vehicle, which has been approved in advance by TCSC, mileage will be reimbursed at the Board approved rate.
- Should an accident occur when traveling by personal vehicle, the employee’s personal insurance is the primary insurance.
- When overnight travel occurs, which TCSC has authorized in advance, TCSC will reimburse for lodging. Actual detailed receipts must be submitted with the voucher form for reimbursement.

**EXPENSE REIMBURSEMENT:** All expenses incurred by individuals that expect reimbursement by the School Corporation must have prior approval from their supervisor. Receipts and odometer readings

for travel will be furnished prior to payment. Conference requests must be made on the form provided by the Administration Office and approved by the building principal and the Superintendent or his/her designee. Claims for reimbursement of expenses incurred attending an approved conference must be on forms provided by the Administration Office. Reimbursable expenses are registration, meals included in registration, lodging, and travel. Certain employees, as a part of their regular duties, are required to use their personal vehicle for school business. Said employees must keep a record on a regular mileage form and file said form with the Corporation treasurer for payment at the rate set by the School Board.

## **RETIREMENT**

**PUBLIC EMPLOYEES' RETIREMENT FUND:** Support personnel working 1000 hours or more per year and are classified as full time employees, are required to participate in the Public Employees Retirement Fund. The program operates under the following conditions:

1. An employee must work 1000 hours or more per calendar year and be classified full time to be eligible.
2. All full time employees begin contributions to PERF from the date of hire.
3. Participating employees will have 3% of their total salary deducted.
4. The school corporation will contribute a percent of the total salary to the program as an employer share. This percentage is established annually by PERF and varies from year to year.
5. Members retiring must have 10 years service at 65 or 15 years service at age 50 to draw monthly benefits.
6. A member can receive all of his/her own contributions, plus interest, if he/she withdraws before retirement.

Retirement benefits are based on years of service and the total amount contributed to the fund by both the employee and the employer.

## **BENEFITS AFTER SEPARATION of EMPLOYMENT**

**GOOD STANDING:** In order to leave in good standing, all employees are expected to give at least a two (2) week notice. All employees who wish to retire should give notice prior to July 1 prior to the year of retirement.

- Employees who retire are eligible to continue life, health, and dental insurance coverage at their own expense until age 65.
- In order to do this, the employee will give to the School Corporation treasurer a check made payable to the school corporation and in the amount of the appropriate monthly premium. This check will be delivered to the School Corporation treasurer no later than the 25<sup>th</sup> day of the month preceding the month in which the premium is due to be paid to the insurance company. Failure to deliver this check(s) by the 25<sup>th</sup> day of the month as prescribed will result in forfeiture of the privilege to participate in the group insurance plan.
