Re: SEPAC- Special Education Parent Advisory Council

Cc: Monique Pierangeli, Superintendent of Schools

Date: November 20, 2024

The purpose of this memorandum is to announce the need to revitalize the Special Education Parent Advisory Council (SEPAC) for Webster Public Schools in order to help support families with improving the educational experience for students with special needs in our District.

We are looking for parents/guardians of students with disabilities (on a 504 plan or IEP) or other interested parties to volunteer and advise the District on matters related to special education programs and policies.

Please feel free to contact me (contact information listed above) if you would like more information or to express your interest in volunteering.
