

MHS At Home Digital Learning - Weather Day

- In the event of schools being closed due to inclement weather, we will operate in an asynchronous learning environment. Staff can work from home or school. Either way, staff must have internet access.
- All courses will have directions / updates posted to Schoology by 9:00 am. Students can email staff any questions throughout the school day. Staff will check email frequently throughout the day.
- Office Hours: 9:30 - 11:30 am and 12:30 - 2:00 via Google Meet. Google Meet codes will be posted so students can access their teacher.
- Attendance will default to present and should be submitted hourly by staff. If a student is known to be absent, the attendance office will mark them accordingly. Attendance will be submitted in Infinite Campus by 2:30 pm.
- Homeroom: No expectations for students to check in. Staff will submit attendance if applicable.
- Communication will be sent out to students / families through MHS for students to check Schoology for updates.
- Provide flexibility and extended deadlines for students who may not have internet access.
- Special Ed Case Managers & EL staff should check in and provide guidance for students on their caseload or who they work with.
