

COMMUNITY STEM SHOWCASE 2025

February 13, 2025

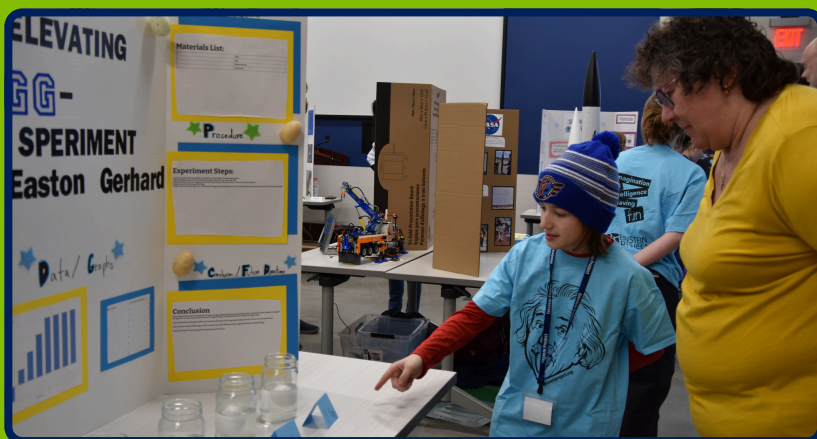

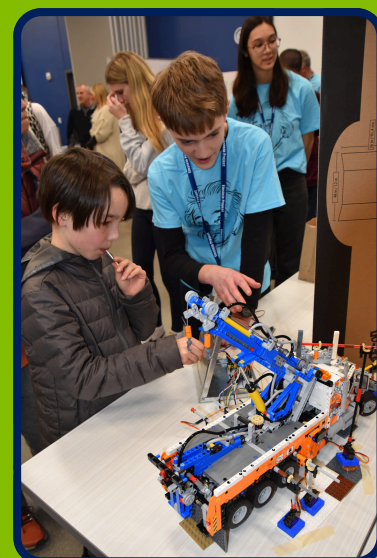

5:00-7:00PM

Brown County
STEM Innovation Center

We are excited to announce the upcoming 2nd Annual Community STEM Showcase, where **creative minds of all ages** will have the opportunity to showcase their scientific creations and innovations.

Whether you're a budding scientist, a seasoned inventor, or simply have a passion for STEM, this event is your chance to shine!

What Can You Showcase:

- Science investigations
- Inventions
- Research projects
- Engineering prototypes
- Robotics
- Computer programs or apps
- Maker creations
- And more!

Registration is NOW OPEN!
