Learning Recovery Emergency Block Grant Hawthorne Math and Science Academy

Status: [Edit](#)

PURPOSE

The Learning Recovery Emergency Block Grant (LREBG) was established in response to the emergency caused by the COVID-19 pandemic to assist schools serving pupils in the long-term recovery from the COVID-19 pandemic, including addressing pupil learning, mental health, and overall well-being. The LREBG allocates \$6,800,050,000 to local educational agencies (LEAs), including county offices of education, school districts, and charter schools beginning Fiscal Year (FY) 2022–23 through 2027–28.

LEGISLATIVE AUTHORITY

Education Code (EC) Section 32526.

REPORTING REQUIREMENTS

LREBG recipients are required to report interim expenditures of apportioned funds **on or before December 15, 2024**.

LEAs receiving LREBG funds shall report using the template developed by the California Department of Education (CDE), and make publicly available on their internet websites, interim expenditures of those apportioned funds to the CDE.

If a charter school ceases to operate before December 15, 2029, a final expenditure report must be submitted within 60 days of the effective date of closure and the CDE will bill the LEA to recover any unspent funds.

INSTRUCTIONS

In the Expenditure Table below, select the “Edit” button under the LEA Action column for each allowable use of funds that the LEA intends to report an expenditure amount. Please provide expenditure data for FYs 2022–23 and 2023–24 as applicable. See the table header for specific performance period information for each FY.

After entering an expenditure amount, select “Update” to populate the data into the table.

Once the Expenditure Table is complete, and there are no error messages, the LEA will review all reported data in the Report Summary. If the Report Summary is incorrect, please make revisions and/or email CDE staff at LREBG@cde.ca.gov for technical assistance. If the Report Summary is correct and there are no reporting errors, the LEA will submit their expenditure report by selecting “Submit” at the bottom of the screen.

Pursuant to EC Section 32526(e)(1), LEAs are required to make interim expenditures of apportioned funds publicly available on their internet websites. To assist in meeting this requirement, the LEA will have the opportunity to export their Interim Expenditure Report from the GMART into an Excel document. Before submitting, the LEA must enter required details for the person submitting the report.

LEA Allocation

LREBG Allocations are available at <https://www.cde.ca.gov/fg/fo/r14/lrebg22result.asp>.

LEA Name	LEA Allocation
Hawthorne Math and Science Academy	\$853,191

Expenditure Report

Allowable Uses of Funds	FY 2022–23 Expenditures	FY 2023–24 Expenditures	Total	LEA Action
	Performance Period: 7/1/2022–6/30/2023 Due: 12/15/24	Performance Period: 7/1/2023–6/30/2024 Due: 12/15/2024		

<p>(A) Instructional learning time for the 2022–23 through 2027–28 school years by:</p> <ul style="list-style-type: none"> ■ increasing the number of instructional days or minutes provided during the school year, ■ providing summer school or intersessional instructional programs, ■ or taking any other action that increases or stabilizes the amount of instructional time or services provided to pupils, ■ or decreases or stabilizes staff-to-pupil ratios, based on pupil learning needs. 	\$0	\$0	\$0	Edit

Remarks

Remarks from LEA (optional):

The Learning Recovery Emergency Block Grant funds for fiscal years 2024-2028 will focus on helping high school students meet graduation requirements, succeed in their current academic programs, and fulfill college admission criteria. Key initiatives include continued summer school and bridge programs for new students and credit recovery, along with tutoring, small group instruction, and targeted resources to accelerate learning. After-school programs will provide enrichment, homework support, and skill-building, while professional development will train staff in instructional strategies and AI integration aligned with curriculum needs. Integrated pupil support services will address learning barriers through health, counseling, mental health, social-emotional learning, and meal programs. Credit recovery through APEX and the use of iReady diagnostics will support credit-deficient students and help meet individual learning needs, enhancing overall college and career readiness.
