Grade K-6
Span:

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2023–24)

At Hayes Elementary School, we believe that every student can achieve at high levels. Therefore, a fundamental aim of our educational programs is to ensure that each student possesses the competence and confidence that would guarantee success at the next level. This plan is our roadmap for building and sustaining a strong and effective instructional core in every classroom. It is our articulation of the vision for student learning outlined in our district's Five-year Strategic Plan. Effective teaching, capable instructional leadership and strong relationships are crucial to realizing our community's hopes and dreams for student learning and development. This focus articulates the teaching practices, leadership practices and organizational practices that have become the norm throughout our school system. Our focus expresses our collective responsibility for student learning and motivates us all – school, home, and community – to collaborate in ways that will turn our good intentions into strong results for students. Hayes goals are in alignment with goals set forth and approved by the Board of Trustees in our District Local Control and Accountability Plan and Learning Continuity Plan for the 2023-24 School year.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

In 2015, EdReports reviewed 26 well-known K–8 mathematics textbooks for their alignment with CCSS and found Eureka Math (which is a commercial variant of the free and open version featured within EngageNY) to be well-aligned with CCSS for the grade levels and CCSS-related areas for which they were reviewed. School Facility Conditions and Planned Improvements

Hayes is comprised of a large building of several wings that support administration and classrooms with a central kitchen and cafeteria. The site also houses several portable classroom buildings.

At the time of the inspection, the District found the site to be in Fair condition. The campus recently received new carpet in 2023 Summer and the District hopes to expand the site modernization both interior and exterior in the coming years.

Are of improvement are replacing burnt out light bulbs, improving our custodial cleaning and fixture repairs at the restrooms, and site exterior improvements.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	36%	34%	41%	41%	33%	34%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2023–24)

Hayes strives to keep all parents and guardians engaged, informed and connected. We will continue to inform families with all the dates and agendas for various parent meetings. Provide families with information in their primary language so they have access to the information for various parent meetings. Post all dates for parent meetings and school events on the school website, electronic marquee, school wide announcements, principal newsletters and weekly phone calls, text and emails to all families. In addition the school secretary and principal will work closely to ensure that our student information system is current and clean so that families will continue to receive our email and text communications. We will also continue to promote Hayes via social communication (Facebook, School Website, ParentSquare)

School Safety Plan (School Year 2023–24)

The School Safety Planning Committee shall make an assessment of the current status of school crime committed on campus and at school-related functions and of appropriate strategies and programs that will provide or maintain a high level of school safety. (Ed. Code 35924.2) While the School Safety Planning Committee reviews school, district and community crime data trends such as the California Safe School Assessment, other data can bring value to the discussions. Such data may include: Mental Health DataState, District or Site Surveys (such as the Youth Risk Behavior Survey) Disciplinary Data Community Police Data Data may be more valuable if disaggregated by gender, age, zip code, ethnicity, etc. Current trends should be reviewed as well. Based on data analysis, the School Safety Planning Committee identifies one or two safety-related goals for the next school year as well as the strategies and/or programs that will be used to meet those goals. The objective is to provide meaningful goals in order to improve the campus climate. The goals are reported, with the Safety Plan, to the Board of Trustees and are shared with the school staff and community. In order to keep the goals as a safety focus for the school year, it is recommended that at least three brief meetings be held to review data and progress. The progress can be reported to the School Site Council, staff, parent groups and the Board of Trustees. Hayes Safety Committee agreed on these three goals:

GOAL 1: Increase the safety of all students and staff by installing various security measures

Strategy 1.1: Installation of cameras throughout the school campus

Assessment 1.1: Installation has been completed

Strategy 1.2: Provide software with recording capabilities as well as live viewing options

Assessment 1.2: Installation has been completed

GOAL 2: School will update the ARCC to ensure adequate necessary supplies in the event of an emergency.

Strategy 2.1: Each class will receive a bin, along with a gallon sized zip top bag for every student. Parent letters will accompany the bags home, asking for snacks to be stored inside the ARCC.

Assessment 2.1: Confirm storage of classroom bins with zip top bags for every student by October.

Strategy 2.2: Updated materials include batteries and [First Aid supplies](#)

Assessment 2.2: Verify items have been delivered and placed in the ARCC by January.

GOAL 3: Provide mental health support for students.

Types of Services Funded (Fiscal Year 2022–23)

Hayes has deployed one to one devices (Chromebooks) to all students. We have replaced outdated and irreparable classroom technology (document projectors, screens, speakers, etc) with newer technology. Hayes has also secured online licenses for platforms teachers can use in their classrooms. Hayes also funds a literacy coach and one reading intervention teacher as well as a primary music program and PE/Lunch Recess Program.
