Ms. Rachel Darr

Dear Potential Business Partners,

Pinckneyville Middle School strives to be school of excellence in the world-class system of Gwinnett County Public Schools. In order to continue to be the Promise of Gwinnett, we need your support and financial assistance. We would like to offer you the opportunity to be a Business Partner for Pinckneyville Middle School.

In addition to benefitting the school, we believe that being a part of our partnership program will benefit your business as well. Advertising your company in our weekly emails that go to all families as well as community leaders that subscribe will be one of the ways we will promote your business in our community. Another way in which we will give back to you is by listing your business on our school website, including a link to your website if available. The families that will see your weekly advertising in our school communications are customers in our community, just as their children are our customers. This will encourage business growth locally and create a stronger sense of community too.

Pinckneyville Business Partnership will consist of four levels. Please select the financial commitment you would like to donate to help sustain our commitment to excellence.

- Diamond Partner: \$2,500.00 commitment
- Platinum Partner: \$1,000.00 commitment
- Gold Partner: \$500.00 commitment
- Silver Partner: \$250.00 commitment

Simply fill out the Pinckneyville Middle School Business Sponsorship page attached and return it with your check made payable to Pinckneyville Middle School.

If you have any questions regarding the program, please contact me at 678-263-0860.

Sincerely,

A handwritten signature in black ink, appearing to read 'Todd Marschke'.

Todd Marschke
Principal
