RESOLUTION # 8

RESOLUTION IN SUPPORT OF SEEKING DEFERMENT OF LAPSATION FROM THE SISKIYOU COUNTY BOARD OF EDUCATION

WHEREAS, the Klamath River Union Elementary School District is a K-8 school district in Siskiyou County that has had average daily attendance greater than six pupils for many consecutive school years; and

WHEREAS, the District has an average daily attendance a fewer than six pupils during the 2023/24 school year for the third time; and

WHEREAS, the District's Board of Trustees has considered Education Code section 35780 and related statutes, which require lapsation of a school district with fewer than six pupils in grades kindergarten through eighth grade, but allows the county board of education to defer lapsation up to three times for a one-year period; and

WHEREAS, the District's Board of Trustees determines that it is in the best interests of its pupils and the community to remain a separate school district for the 2024/25 school year, in light of the past history of average daily attendance numbers and the likelihood of additional pupil enrollments in the future, as well as the benefit to the community of having a locally organized school district; and

THEREFORE, BE IT RESOLVED that the District's Board of Trustees, pursuant to Education Code section 35780, hereby acts to defer lapsation for the 2024/25 school year and seeks concurrence from the Siskiyou County Superintendent of Schools and subsequent approval by the Siskiyou County Board of Education; and

THEREFORE, BE IT RESOLVED that the Superintendent or the Superintendent's designee is directed to take all actions necessary to carry out this resolution and related procedures.
