

SCHOOL ASSIGNMENT

The Superintendent shall establish, and the Board shall approve, attendance boundaries for each district school.

Students shall attend the school to which they are assigned; however, the Board authorizes the Superintendent to grant or deny requests for individuals to attend schools outside of their designated attendance areas after consideration of the following criteria:

1. The change appears to be in the best interests of the student and the District.
2. No bus route will be extended beyond its normal run.
3. Principals of both schools involved approve of the change.
4. The transfer will not create overcrowding.

The Board reserves the authority to transfer students from the assigned school to a different school when enrollment must be balanced because of classroom space requirements or class size. Transfer decisions shall comply with 20 U.S.C. 1703.

Extracurricular Eligibility

The District shall comply with all North Dakota High School Activities Association (NDHSAA) regulations regarding transfer student’s eligibility for NDHSAA sponsored programs and events.
