

25-26

Centennial High School Tenth Grade Registration

Class of 2028 Graduation Requirements

English	4 credits
Social Studies	3.5 credits
Science	3 credits
Math	3 credits*
Physical Education	.50 credit
Fine Arts	1 credit
Health	.50 credit
Personal Finance	.50 credit
Elective	4 credits
Advisory	4 credits
Total (28 possible)	24 Credits Needed

Advanced Placement Courses (AP)

College Credit is earned by scoring a 1-5 on the AP exam.

How do I know if I should take an AP?

1. Strong time management skills. Expect increased time on homework.
2. Strong reading, writing and math skills.
3. Strong work ethic- homework completion on time.
4. Successful completion of previous AP & Honors courses.
5. Teacher recommendation.

AP Biology
AP World History
**AP Computer-
Science**

COURSE REGISTRATION GRADE 10

Students are required to register for 12 courses each year and 4 alternate courses.

Registration is **NOT** first come, first served. Please read complete Course Descriptions on our website before registering for courses. Take the time to make fully informed decisions!

Schedule Changes:

Classes are formed, schedules created, and staff hired and assigned on the basis of student registration. Once this process is completed, schedule changes are discouraged, and in many cases, not possible.

Registration is complete when you have entered and reviewed your requests in your Campus portal.

GRADUATION CREDIT REQUIREMENTS

CONTENT AREA	REQUIRED CREDITS
Language Arts	4
Math	3
Science	3
Social Studies	3.5
Physical Education	.5
Health	.5
Arts	1

AP Biology 2

Math

Math teacher has completed this for you unless you are taking Math as an elective, please see your math teacher.

1. *What if I want to change my math placement?*

Talk to your current math teacher and the teacher will reach out to your parents and counselor.

2. *What if I completed Advanced Algebra during Grade 9?*

Talk to your math teacher about taking Pre-Calculus, and you will need to add this to your registration since it is an elective class.

Personal Finance

#8410

This new graduation requirement class can be taken in Grades 10-12

**Healthy Living
(8720)**

or

**Healthy Living
Online
(8720V)**

(Grades 10-12)

- Healthy Living Online adds an additional class to your school year (7 courses total for one semester)
- Primarily online instruction with some teacher check in time during the semester
- This is a non-traditional class and requires student to have excellent time management skills.
- **Register as an Alternate using #8720V**

- AVID 10
- COURSE #8032 and #8033
- (Year-Long Course)
- New AVID students need to complete an application. Applications are in the West Office.

PSEO

Who can enroll? Grades 10-12.

Grade 10 is Career and Technical Courses. Courses in Grade 10 **do not** substitute for CHS classes. They are elective classes.

Grades 11-12 take classes to fulfill CHS grad requirements and general degree requirements for college.

What colleges offer PSEO? Minnesota Department of Education has a list of eligible institutions. Website Link: <https://education.mn.gov/MDE/dse/ccs/pseo/elig/040787>

How do students earn credits?

4 college credits = 1 CHS credit For example a 4 credit English Composition class at Century College is equal to 1 CHS credit or World Literature 1 and 2.

How do you pay tuition and fees?

Tuition and books are paid by the state. If you don't return the books, you will be charged a fee.

PSEO Risks and Possible Consequences

What if I drop a PSEO class?

If a student drops a class after the first 10 days of the semester, you will receive a NC (F) on your CHS transcript.

How does enrolling in PSEO affect your ability to complete high school requirements?

Students still need to take courses at the college to substitute for CHS classes. Sometimes, classes are not offered at the college or are at capacity. Example, If a student needs a 4-credit composition class to graduate and the college only offers a 3 credit Composition class.

Academic and social responsibilities that must be assumed by the student and their parent/guardians.

Centennial high school counselors can not communicate with college. This includes attendance, grades, services etc. This is the liability of the student.

Will my PSEO credits transfer to a college?

It is the student and family's responsibility to reach out to the college they plan to attend to see if the credit will transfer. Other resources students may use is Transferology and MN transfer curriculum.

Chromebooks- CHS Chromebooks are not supported by several colleges. It's best practice to check with the college. You may need to purchase own laptop or work with the college to use their computer lab.

WHO CAN HELP?

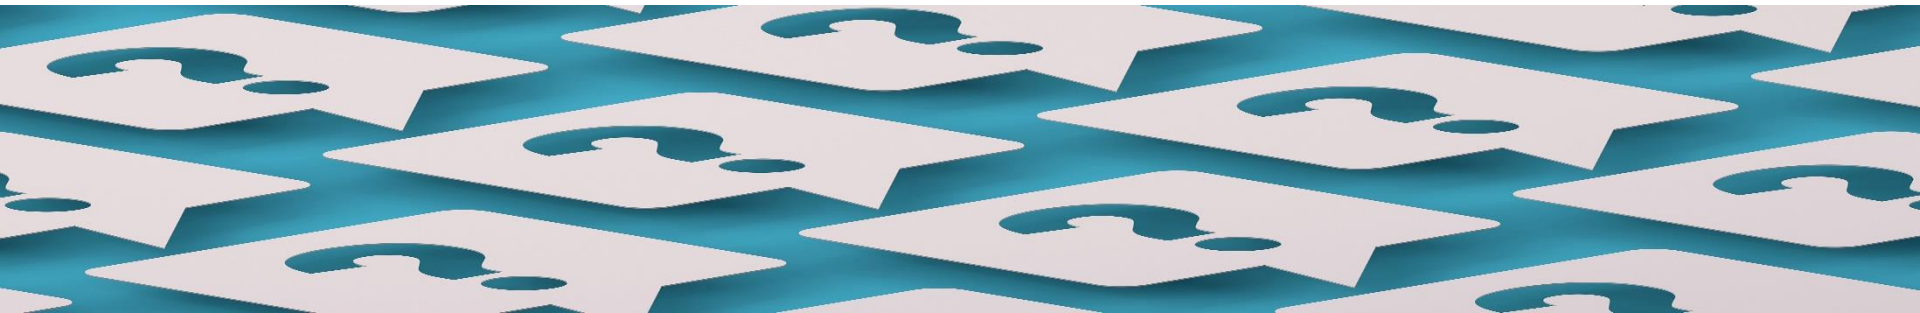

If you have a question...

Then the following can help you...

- Course Placement
- Course Selection
- Prerequisites
- High School Course Plan

- Current Teacher
- Current teacher or school counselor
- Registration Guide and/or teacher
- School Counselor

School Counselors are here to help.

Your counselor is assigned by student last name. Feel free to call, email or attend a question/answer session.
