Wilcox High School offers a **data-driven** school counseling program that focuses on **academic, college and career, and social-emotional** success for **ALL** students. Our program utilizes a **multi-tiered, multi-domain** system of **support** framework to organize a continuum of core instruction and interventions that meet students' needs with the goals of: 1) Ensuring all students receive **developmentally appropriate** instruction; 2) Maximizing student achievement; and 3) Increasing the **social, emotional, and behavioral** competencies of students.
