## 2025-2026 School Year Middle School Science Educator

CIS seeks a curious, creative and collaborative middle school science educator to join our well-established co-teaching program. The role includes grade 6-7 science and for someone who practices hands-on constructivist approaches and who seeks to understand how each child learns in her or his classrooms. Candidates with prior experience teaching middle school science would be greatly preferred. Someone open to Middle School Maker's Space also greatly preferred.

**CIS defines learning as a transformative process** that leads to **conceptual understanding**, demonstration of **competencies** through application and **character development** as seen through the CIS Core Values of **Caring, Inspiration, Integrity, Joy** and **Respect**

Please email our middle school principal, Mr. Andrew Nicholson, at [msprincipal@cisb.org.in](mailto:msprincipal@cisb.org.in) and our HR manager, Ms. Annie Eugene at [jobs@cisb.org.in](mailto:jobs@cisb.org.in) with a cover letter, resume with at least 3 supervisory references with accurate contact info, scans of degree(s) and certification(s), and a passport scan.

The position will remain open until a successful candidate emerges.

Reporting date for successful candidates will be late July, 2025

CIS is fully accredited by the New England Association of Schools and Colleges and the Council of International Schools.

### Requirements

- Bachelor's Degree + Certification in the discipline
- Previous experience as a middle school science teacher with internationally accredited schools preferred
- Overseas experience preferred but not required
