

Windermere Trail

Trail Guide

The Windermere Trailhead is located at the Pinney fields parking lot at 63 Pinney Street. This is the main parking lot for the trail. Please use this lot since the Windemere Ave. lot is extremely small and very close to the river. Entrance to the trails is on the far left of the parking lot (follow the hiking signs). Walk through the field towards the wood line to the kiosk (please stay off the soccer fields). Take the short trail by the kiosk to enter the woods. At the intersection you can go to the left and walk along the Hockanum River towards Windemere Ave. Be on the look out for eagles, muskrats and even bobcats. Or go to the right over the bridge. At the end of the bridge there is a short spur trail to the left that leads to a bend in the Hockanum River. This is a great spot for fishing and bird watching. Continuing on the trail it winds through woods onto an old railroad line and to a pond (.47 miles). The trail loops around the pond (great turtle viewing) and continues southerly to a trail that accesses the YMCA or take a left down the tree lined trail to the Town of Vernon's suspension bridge (.94 miles). Roundtrip on the Windermere Trails is approximately 2 miles.

Suggested Trail Activities

Legend

- Main Trail
- Emergency Trail Markers*
- P Parking
- i Information Kiosk
- Bridge
- Bench
- Boardwalk

*As you walk the trail you may notice yellow markers with an alphanumeric designation. If you have a medical or other emergency, please call 911 and give dispatch the nearest marker number and Town Code 048. Please stay put, this will help emergency personnel find you.
