 - ii. Burns w/Lithia - corporate approval for fixed ops or detailer can be hired at 16.
 - 1. Non-driving
 - 2. Parent Approval required
 - 3. Only one dealer now, but more next year.
 - 4. When they turn 18, they would move into a junior tech position and would need a driver's license then.
 - iii. Crowe - Carrollton Farmers Branch - students work with ISD fleet department

1. We had something like that planned, but then the connection at GISD fleet left, and it didn't move forward.
2. Students want to be paid, which is another issue.
- iv. Working with TEA so that Drivers License can be an IBC.
- v. Fast Track program - gets kids drivers' licenses in 3 weeks for \$44.
 1. Dallas College has something similar to this.
- vi. ISDs lost drivers' Ed around 2020
 1. Drivers' Ed not state level approved course
 2. Lots of kids don't have desire for a license w/Uber and other things
 3. If offered at the campus level, we have to remove barriers for kids (like the cost)
 4. Schools might be competing with local vendors

8. Set Date for Next Meeting

- a. Wed., Sept 18

9. Motion to adjourn - George Williams (seconded by John Crowe)
