

Coming Summer 2025: USM Summer Theater Camp!

We're thrilled to announce an exciting addition to our USM Summer Camps: a brand-new, full-day Theater Camp! Open to campers entering grades 2 through 9, this immersive program offers a supportive, creative space for young performers to dive into all aspects of theater.

In this new full-day format, campers will explore everything from theater basics to advanced techniques, including acting, specialized intensives, set design, technical theater, and ensemble work. Each camp will culminate in a showcase performance, where campers can celebrate their growth and share their talents with family and friends.

More details are coming soon—registration will open in January so stay tuned for what's sure to be an unforgettable theater experience this summer!

If you are a guest, and would like to learn more about USM's unique student-focused programs (like you are seeing today), please visit usm.org/learnmore or scan the QR code below to arrange a personal tour. We look forward to meeting you!
