

CAROLINA DAY SCHOOL
ALUMNI & FAMILY BUSINESS DIRECTORY
Highlighting CDS family-owned businesses, private
practices, and professional services

The CDS Family-Owned Business Directory was created to celebrate and support our wonderful Carolina Day School families and alumni who run small businesses, private practices, or offer professional services. Our community is filled with talented entrepreneurs, and many of us are eager to support fellow CDS families whenever possible. We encourage you to explore the directory and see if one of our own can meet your needs!

For more information about CDS *Family Owned Businesses* or to inquire about listing your own business, nonprofit, or professional services please contact the Advancement Office at (828) 407-4441 or advancement@carolinaday.org.

The amazing artwork in our directory was created by PK–4th grade students as part of *Maybe Something Beautiful*, a display featured in the Tom and Joan Scott Gallery in Love Hall in October 2024.

Inspired by Rafael López’s *Maybe Something Beautiful: How Art Transformed a Neighborhood*, the project sparked weeks of creativity and meaningful conversations. Students explored the question, “How can our art transform a community?” The resulting murals celebrate the power of connection and the beauty of coming together.
