We are grateful for the hard work and dedication of our students, staff and community members who contribute to creating a thriving and supportive environment. Your continued support helps make Canfield a place where every student can succeed. Thank you for being an essential part of our journey and for all you do to make our school community "Stronger Together!"

Please continue submitting student and staff achievements to CanfieldUpdate@CanfieldSchools.net. We are proud to share the outstanding accomplishments of our Canfield community!

FINALLY....Browns/Steelers Game

In honor of the Browns/Steelers game, Thursday has been proclaimed to wear your favorite team shirt. Show your school spirit Cardinals!!

Bond Issue Update

As you are aware, voters rejected the proposed bond issue that would have generated \$64.19 million to construct a new Canfield Village Middle School and complete renovations at Canfield High School, C.H. Campbell and Hilltop Elementary Schools.

Our district will continue prioritizing our facilities' needs and exploring solutions that align with our community's expectations and financial responsibilities.
