

Winter 2024 - Volume 27

Last May, St. Louis Park Dollars for Scholars® awarded **\$162,850** to **108** well-deserving high school seniors who applied for scholarships. Since its inception in 1994, St. Louis Park Dollars for Scholars, an affiliate of the nationally recognized non-profit Scholarship America, has awarded over \$1M in our community.

These funds are granted to students attending institutions across the U.S.—from Augsburg to Princeton. Advanced education is costly, so every dollar is deeply meaningful to recipients. **Every dollar raised through Dollars for Scholars is awarded to a deserving student—which means every dollar matters!**

Please consider a donation to support St. Louis Park Dollars for Scholars and join parents, teachers, St. Louis Park High School alumni, and local businesses with a donation in any amount. To give, use the QR Code below:

Scholarships are awarded at our annual awards ceremony each spring, an inspirational evening where students, family members, faculty and community members gather to celebrate St. Louis Park High School graduates and to support them in their pursuit of higher education.

This opportunity brought me newfound hope. I am and forever will be grateful for this opportunity to pursue my dreams and passion. -SLP Class of 2023 Student

Together, we are helping local students realize a bright future. Thank you for your support!
