School Goals

Art Rutkin is dedicated to the delivery of inclusive, culturally specific instruction and our belief in the success of every student. We work collectively guided by data to meet the individual academic needs of our students and to provide the social and emotional supports that remove barriers to achievement. We foster strong systems of teacher collaboration and leverage our 1:1 technology to benefit every student.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

TTSD continuously evaluates and responds to the needs of our ever-changing world and specifically our student population. We hold an uncompromised commitment to the safety and well-being of our students and staff, and maintaining a safe, inclusive, respectful, and rigorous learning environment. Our goal is for all students to feel physically and emotionally safe and respected. We are led by Board policies dedicated to protecting all students, staff, and families from discrimination, bias, hate, and harassment.

This commitment is mandated by Board policy and reinforced by our student handbook. TTSD students have the responsibility to respect the rights of others, seek help when they know about a wrongful act, and resolve disputes peacefully. We teach anti-bullying and anti-hate lessons and provide professional supports around social, emotional, and behavioral health.

PARENT ENGAGEMENT

TTSD creates collaborative, culturally responsive relationships with all families. Communication is delivered in a variety of ways to ensure parents are informed and engaged in their students' learning and school environment. We welcome parent volunteers in our classrooms and school. Dedicated staff work with our families to serve the needs of each of our students. All major decisions that impact our students are made in partnership with our students and families.

COMMUNITY ENGAGEMENT

The TTSD community has a long and proven history of support for education and their schools. We work every day to steward that support by preparing our students for success in school and life. Our district strives to provide world-class experiences exposing our students to innovative learning in state-of-the-art buildings delivered by best-in-class teachers. We recognize that we can only do this work in partnership with our community. We are grateful for the life-changing assistance we receive from our volunteers, businesses, civic groups, faith communities, and countless others.
