Good evening, POB School Community.

POB's Homecoming 2024 saw an incredible number of participants and attendees. A special thank you to our PTA, SEPTA, POB Athletic Boosters, and the many POBJFKHS Clubs for providing activities, food, and refreshments to our POB Community. A special thank you to the POB JFKHS band, cheerleaders, kick line team, football team, guest announcer, Mr. Rothman, and other athletes and students who provided a great day for all spectators!

During the day, we received many innovative ideas for future homecomings and want to capture them all in one space. We are asking you take a few minutes to share some ideas with us as we begin planning for Homecoming 2025.
