

Equity, Inclusivity, and Belonging (EIB) Support Service 2024-2025

The Nassau BOCES Equity, Inclusivity, and Belonging (EIB) Support Service provides Diversity, Equity, and Inclusion (DEI) and NYSED Culturally Responsive-Sustaining Education (CR-SE) resources to participating districts. This service offers guidance, support, and training on developing and implementing school and district practices that ensure welcoming and affirming environments to foster positive academic outcomes. Nassau BOCES partners with school districts to customize services needed to implement DEI and CR-SE practices, review plans and policies, and support professional learning to advance equity, inclusivity, and belonging.

EIB Support Service Components
<p>Preliminary In-District Consultation for Goal Setting and Planning This session supports individualized goal setting, strategic planning, equity team support, and guidance in navigating the NYSED Board of Regents DEI policy, the NYSED CR-SE Framework, and the NYSED CR-SE Implementation Roadmap.</p>
<p>EIB Virtual Leadership Advisory and Networking In these four one-hour interactive sessions, PK-12 district, school, and equity team leaders will collaborate with Nassau BOCES EIB leadership and each other to share insights and strategies that support ongoing efforts to implement NYSED CR-SE practices.</p>
<p>EIB Collegial Circle **Virtual** These four, 90-minute facilitated sessions provide a supportive space for superintendents, assistant superintendents, district leaders, school leaders, equity teams, teachers, and school staff to exchange experiences, learn together, and build skills to foster inclusive, equitable learning environments.</p>
<p>In-District Customized EIB Support Sessions These sessions are designed to support each District's specific DEI/EIB goals. Sessions include, but are not limited to, leadership training, professional development for district/school staff on myriad topics, equity team training and support, engaging stakeholders, unpacking the NYSED CR-SE Framework, and navigating the NYSED CR-SE Implementation Roadmap.</p>
<p>Full School Year Calendar of EIB Workshops Workshops offer in-person and virtual professional learning opportunities, led by Nassau BOCES EIB staff and consultants. The catalog of workshops will continuously grow throughout the school year with new and highly requested workshops.</p>
<p>Facilitated Book Study Four facilitated book study sessions, led by Nassau BOCES staff/consultants, provide districts with opportunities to engage in meaningful learning from leading experts in DEI/EIB.</p>

The 2024-2025 EIB Support Service is listed on the District's Nassau BOCES ELOI Curriculum, Instruction, and Technology (CIT) 4a, Billing code 551.500
