Thank you, Syringa Elementary learners, for your patience and cooperation during yesterday's extended Hall Check.

Today, members of the Pocatello Police Department and PCSD 25 administration visited Syringa to show their appreciation with a special treat for our hardworking learners.

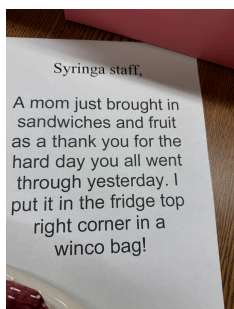

Yesterday's Hall Check was initiated by law enforcement as a safety precaution due to a police matter in the neighborhood. As always, the safety of our learners and staff comes first. While school dismissed at the regular time, extra measures were taken for children who walk home, ensuring they were released to parents or emergency contacts with proper identification. Staff escorted bus riders to the buses and transportation continued as scheduled.

During a Hall Check, all exterior doors are secured and staff and learners remain in their classrooms. Learning continues and the school day proceeds as scheduled to minimize disruption. Learn more by watching this brief video: <https://vimeo.com/362835819>

This response represents PCSD 25's "More Together" commitment in action, where our school community, local law enforcement, district leaders, and parents worked collaboratively to ensure the safety and well-being of every child. We are grateful for the support and teamwork shown by all during this situation.

22 hours ago

On 10/31/2024 at approximately 0930 hours, Pocatello Police Department responded to 860 E. Alameda at Fast Stop for a report of an adult male possibly waiving a gun at cars driving by. Due to Tendoy Elementary School being across the street, officers requested the school be placed into hall check. Officers contacted 41-year-old male Cesar Reyes who was in possession of an air soft gun that he said was part of his Halloween costume. Reyes voluntary gave the air soft gun to officers. The hall check at Tendoy Elementary lasted less than three minutes and the school returned to normal schedule.
