NEWS FROM CAMPUS

Dear Comet Families,

As we gather in this season of gratitude, I want to take a moment to express my heartfelt appreciation to each of you for being an integral part of our school community. Thanksgiving is a time to reflect on the blessings in our lives, and one of the greatest blessings we share is this vibrant, caring, and supportive school family.

As we look ahead to the Thanksgiving holiday, I encourage each of you to take time to connect with your loved ones, to reflect on the joys in your lives, and to give thanks for the big and small moments that make life meaningful.

Thank you for making our school a place of learning, kindness, and community. Together, we create something truly special, and for that, I am deeply grateful. Wishing you all a safe, joyful, and blessed Thanksgiving.

Warmly,

Dr. Shelly Chauvin
Principal

iGiveCatholic on Giving Tuesday

#iGiveCatholic is the U.S. Catholic Church's annual giving day, so we'll be participating along with thousands of other Catholic churches, schools and ministries across the country -- all celebrating the impact of Catholic organizations serving our diverse communities!

Our goal for this year's #iGiveCatholic campaign is to raise \$20,000 to fund much-needed safety improvements to our campus, including secure electric gates to enclose the property and keyless entry to our exterior doors. These enhancements will help ensure a safer environment for all who come to our school.

Click [here](#) between now and Giving Tuesday on December 3 to make a donation to our goal. Prefer to make your gift by check or cash? No problem! We'll be happy to accept it by mail or in person.

Career Exploration with DOW

Our 11th & 12th grade students enjoyed today's Career Exploration presentation on the chemical manufacturing industry, hosted by Dow, Inc.

Dow is both a local and global manufacturing company that leads the industry in many regards. In addition to hearing about the various career paths in the industry, our students were given insights to the hiring process, the educational requirements for various roles, and the current opportunities available for students graduating high school.

Parents of Juniors and Seniors, please look for an additional email from us this week with details about the opportunities shared with the students during yesterday's presentation, including the Dow Apprenticeship Program and the Last Mile college funding grant.
