**ARTICLE 12
INDUSTRIAL ACCIDENT OR ILLNESS LEAVE**

24. Accrual and Definition

An employee shall receive sixty (60) work days leave with pay in any one (1) fiscal year for an industrial accident or illness. An industrial accident or illness is defined as one where the

employee becomes ill or is injured while they are serving the District and the accident or illness is reported to the agency handling Workers Compensation claims in accordance with their regulations and the agency accepts responsibility for the treatment of the employee.

25. **Non-Accumulation**

Allowable leave shall not be accumulated from year to year.

26. **Administration**

- b. Payment for wages lost on any day shall not, when added to an award granted the employee under the Workers Compensation laws of this State, exceed the normal wage for the day.

- d. When an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the employee shall be entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred for the same illness or injury.
- e. The industrial accident or illness leave shall be used in lieu of sick leave benefits. When entitlement to industrial accident or illness leave under this Article has been exhausted, entitlement to other sick leave, vacation, or other paid leave may then be used. If, however, an employee is still receiving temporary disability payments under the Workers Compensation laws of this State at the time of the exhaustion of benefits under this Article, they shall be entitled to use only so much of their accumulated and available sick leave and vacation leave, which, when added to the Workers Compensation award, provides for a day's pay at the regular rate of pay.
- f. During all paid leaves of absence, whether industrial accident leave as provided in this Article, sick leave, vacation, compensatory time or other available leave provided by law or by this Agreement, the employee shall endorse to the District wage loss benefit checks received under the Workers Compensation laws of this State. The District, in turn, shall issue the employee appropriate warrants for payment of wages or salary and shall deduct normal retirement and other authorized contributions. Reduction of entitlement to leave shall be made only in accordance with this Article.
- g. The Superintendent or designee shall require certification by the attending physician that the employee is medically able to return to and perform the duties of their position.
- h. An accident report shall be filed with the General Counsel's Office within twenty- four (24) hours after the occurrence of the accident.

ARTICLE 13

MATERNITY LEAVE

27. Pregnancy, Childbirth, Miscarriage and Recovery Therefrom

Each female employee is entitled to a leave of absence from duties because of pregnancy, miscarriage, childbirth, and recovery therefrom. Maternity leave shall be subject to the provisions covering sick leave. The length of the disability shall be determined by the employee and the employee's medical advisor. If the employee elects not to use sick leave, a request for leave of absence without pay shall be submitted to the Director of Personnel, before the expected date of delivery, specifying the expected beginning and end of the leave and the anticipated date of delivery as determined by a physician.

ARTICLE 14 NEW PARENT LEAVE

28. Unpaid Leave

a. Newborn

An employee who is a parent of a newly born child shall be entitled, upon request, to a leave of absence without pay to commence any time during the first year after the birth of the child. This leave shall not exceed one (1) calendar year.

b. Adoption

An employee who adopts an infant child (one [1] year of age or less) shall be entitled, upon request, to a leave without pay to commence at any time during the first year after receiving de facto custody of said infant child or prior to receiving such custody, if necessary, in order to fulfill the requirements for adoption. This leave shall not exceed one (1) calendar year.

29. Paid Parental Leave

Definitions

"Parental leave" is leave for reason of the birth of a child of the employee, or the placement of a child with an employee in connection with the adoption or foster care of the child by the employee. This leave is commonly referred to as "bonding leave", and this article uses the terms "bonding leave" and "parental leave" interchangeably. The intent of this Article is to incorporate the Government Code provisions providing for parental leave and any updates to it.

Eligibility

The employee needs to have been employed by the District for 12 months prior to the request for leave to be eligible.

The initial date of hire will be used to determine whether an employee has met the 12 months of employment requirement. Summer and other calendar breaks do not count against the employee. Time in probation does count toward the time employed.

Entitlement

An eligible employee is entitled to 12 workweeks of bonding leave to be utilized during the first year following the birth or placement of a child with the parent through foster care or adoption. Twelve workweeks means the equivalent of 12 of the employee's normally scheduled workweeks. Employees are only entitled to one 12-workweek period of parental leave in any 12-month period.

An employee must first exhaust all available sick leave, including all accumulated sick leave, and continue to be absent from their duties on account of parental leave in order to gain access to differential pay.

The 12-workweek differential period is reduced by any period of sick leave, including accumulated sick leave, taken during parental leave.

An employee who elects not to exhaust their sick leave during the parental leave is ineligible for and would be on an unpaid leave.

While out on parental leave, an employee is also entitled to receive any applicable health benefits the employee was receiving immediately before the commencement of the leave. The employee is still required to pay their regular contribution while on parental leave and the District will notify the employee of this requirement.

This article provides a separate and distinct 12-work week pay entitlement for parental leave which is in addition to any other differential pay leave. An employee is eligible for parental leave with difference pay even if they have used all five months of difference pay due to extended illness.

This leave may be utilized anytime during the year following birth or placement of a child and may be split over two school years if it has not been exhausted.

A bonding leave does not have to be taken in one continuous period of time; the minimum duration of the leave shall be two weeks, except that the District can grant a request for a leave of less than two weeks' duration on any two occasions with prior notice. Any leave taken must be concluded within one year of the birth or placement of the child with the employee.

ARTICLE 15 OFFICIAL APPEARANCE AND JURY LEAVE

30. Official Appearance

An employee shall be granted a leave of absence when ordered to appear as a witness in court, other than as a litigant, or to respond to an official order from another governmental jurisdiction for reasons not brought about through the connivance or misconduct of the employee.

31. Jury Duty

An employee shall be granted a paid leave of absence when required to report for jury duty during regular work hours, except that an employee whose assigned shift begins at or after noon shall be released from duty on any day during which they are required to serve at least four (4) hours jury duty.

Employees on telephone standby for jury duty during assigned work hours shall take calls from their work location.

32. **Compensation**

Employees granted such leaves of absence shall pay to the District any amount received as jury or witness fees. Any mileage or parking allowance shall not be deemed to be a fee.

**ARTICLE 16
FAMILY CARE LEAVE**

33. The District shall provide leave consistent with related leaves within this agreement, as well as Federal and State family care leave requirements (CFRA and FMLA).

**ARTICLE 17
MILITARY LEAVE**

34. **General Entitlement**

The rights of employees to military leave are governed by the applicable federal and/or state statutory provisions.

35. **District Paid Medical, Dental and Vision Benefits While on Active Military Duty**

- a. Eligible unit members shall be entitled to receive up to 180 calendar days of medical, dental and vision benefits pursuant to Education Code section 44018, subdivision (b)(2).
- b. If a unit member remains on active military duty beyond the 180 calendar days set forth above, the District shall, pursuant to Education Code section 44018, subdivision (b) (1), provide the unit member a monthly stipend sufficient to cover the cost of continuing the health and welfare benefits set forth in (a) above on a month-to-month basis for the duration of the unit member's active military duty. The unit member shall execute, as necessary, authorization(s) needed to implement this provision, including but not limited to, an Internal Revenue Code (IRC) section 125 payroll deduction.

36. **Use of Earned Vacation, Compensatory Time Off (CTO), and Personal Necessity Leave While on Active Military Duty**

Unit members shall be entitled to utilize their earned vacation leave, compensatory time off (CTO), and personal necessity leave (as authorized in this Agreement) while on leave for active military duty. Such leaves shall be utilized as if the unit member is rendering service to the District, i.e., in place of the employee's regular workdays.

ARTICLE 18
SICK LEAVE

37. Accrual

- a. A full-time employee accrues sick leave at the rate of one (1) day for each month of service. A part-time employee accrues sick leave on a prorated basis.
- b. At the beginning of each fiscal year, the full amount of sick leave granted under this Section shall be credited to each employee. Credit for sick leave need not be accrued prior to taking such leave and such leave may be taken at any time during the year. However, a new employee of the District shall not be eligible to take more than six (6) days until the first day of the calendar month after completion of six (6) months of active service with the District.
- c. Sick leave does not accrue during periods of absence without pay that are over two (2) weeks, but does accrue during all periods of leave with pay.

38. Notice of Sick Leave

- a. In order to receive compensation while absent on sick leave, the employee must notify the District's Absence Management System no later than one (1) hour before their shift is to begin on the first day absent, unless conditions make notification impossible. In the event notification is not possible through the Absence Management System, the employee shall notify their immediate supervisor, or authorized designee by email, text, or phone. At least one day prior to their expected return to work, the employee must notify their supervisor in order that any employee filling the position on a substitute basis may be terminated.
- b. In addition, the absence must be entered in the District Absence Management System. If help is needed, the employee can first refer to the site Office Manager; if further help is needed, the employee should contact their school's assigned HR substitute help person. At the end of the month the employee shall sign the appropriate absence confirmation form.

39. Verification

- a. The District reserves the right to require medical verification of illness for shorter periods of time when there is probable cause to require such verification. Prior written notice of such requirements shall be given to the employee unless the District has reasonable cause to believe the employee's use of sick leave is related to a concerted activity.
- b. If the District directs an employee to secure medical verification from a doctor of the District's choice, the District shall pay the cost of such verification.

40. Extended Sick Leave

Following current CA Education code for classified employees, and effective with leaves that start after July 1, 2023, leaves that are provided by the terms of this or other articles in this CBA, including comp time, and vacation time, are part of, and will concurrently overlap with, an employee's 5 months of extended sick leave. While on extended sick leave, the employee shall receive the difference between their own salary and the amount paid to a substitute, and benefits if previously receiving benefits, to a total of five (5) months).

An employee will be asked and required to confirm prior to, or at the very beginning of, their leave if they would like to utilize part or all of their total earned but unused vacation leave balance to replace their full workdays/daily FTE (i.e. 8 hours) in order to continue to be compensated. (This option is exclusive of, and may not apply, when any current laws or rare instances (e.g. receipt of initial family temporary disability insurance benefits) allow an employer to require an employee to use vacation leave).

If there is no substitute filling the position, the employee will receive their full pay.

41. **Sick Leave Donation**

The purpose of this procedure is to allow a Local One (CST) unit member to donate a limited amount of their accrued sick leave days to another unit member due to the unit member's catastrophic illness or injury.

Catastrophic illness or injury means an unexpected and/or life-threatening illness or injury to the employee that is expected to incapacitate the employee for an extended period of time.

Procedures:

- a. When an employee determines that they wish to donate some of their accrued sick leave days to a specific employee in need, they shall fill out the appropriate form.
- b. Prior to receiving a donation, the employee will be required to submit a physician's statement indicating the nature of the illness or injury and the probable length of absence from work. The nature of the illness or injury shall be kept confidential. The District will then make a determination as to whether the receiving employee is qualified for the donation and if the employee wishes to receive donations.
- c. If the transfer of sick leave days is approved by the District the employee may donate a minimum of eight (8) hours to a maximum of forty (40) hours, provided the employee does not reduce their sick leave accrual below two hundred and forty (240) hours.
- d. No employee is eligible to receive the donation if they have used more than their current annual entitlement of sick leave or personal necessity/business leave in two of the last three years, except the District may waive this provision in verified instances of continuing illness or injury.
- e. Participation is voluntary; donation is irrevocable and confidential.
- f. Workers' compensation claims are excluded from this program.

- g. The unit member shall first use the balance of their current annual entitlement, then their accumulated days, vacation days and compensatory time. Donated days shall run concurrently with extended leave.

However, this overage will not, effective at the approval day of this bargaining agreement, be otherwise subject to pay out except for

separation/retirement. After June 30, 2023, no employee shall accrue vacation hours until such time as the balance falls below the carry over vacation accumulation maximum. Vacation monthly accrual will resume in the next calendar month (going forward without accrual credit for any prior months while exceeding the carry over vacation accumulation maximum) and will continue each month going forward unless they again reach their vacation carry over vacation accumulation maximum.

Should the Board reject or modify the recommended decision, it shall first review the findings of fact or the arbitrator's report. If the Board modifies the designee's decision it shall provide the employee with its rationale for the modification.
- 4) The decision of the Board of Education shall be final.

105. **Application**

- a. The employee with the least seniority in the affected class, plus seniority accrued from serving in a higher class, shall be laid off first.
- b. In determining order of layoff in a lateral class (where an employee moves or has moved from one class to another class at the same salary range) the original class, prior to the lateral movement, shall be considered a lower class for purposes of counting seniority within class
- c. If, in order to avoid interruption of employment, an employee voluntarily consents to a reduction in hours or demotion to a class determined by the District to be lower than that in which the employee has permanence, that action shall be considered a voluntary layoff.
- d. An employee laid off in one classification, who previously served in an equal or lower classification, may move into that equal or lower classification if their seniority is greater than those employees presently serving in that classification.
- e. An employee displaced from their classification as a result of being bumped shall have the same bumping rights as set forth in "d" above.

- c. Offers of reemployment shall be made on the basis of reemployment lists based on the highest seniority.

Failure to respond/accept shall be considered a waiver of the right to the vacancy.
- e. When vacancies arise and employees in a layoff status have no reemployment right to the position, they shall be notified in writing of the vacancy and shall be given consideration for the vacancy if they are qualified as determined by the District provided that such employees have current interest cards on file.
- f. An employee on a reemployment list may decline three (3) offers of reemployment in their former classification. After the third refusal, no additional offers need be made, except that an employee may, during the period of entitlement, notify the District of availability and shall thereafter be entitled to offers of employment for which the employee is eligible.
- g. Employees on the reemployment list shall be considered for promotion over outside candidates if they have filed an interest card with the Director of H.R.
- h. Employees returning to service from layoff shall be reinstated with their accrued seniority while in paid status.

109. **Application of Grievance Procedure**

This Article shall not be subject to the Grievance Procedure.

**ARTICLE 37
PROMOTION**

110. **First Consideration**

Permanent employees in the bargaining unit shall be given first consideration in filling any job vacancy within the bargaining unit which can be considered a promotion, assuming such employee(s) has complied with the selection procedure (i.e. the HR Department will continue its practice of arranging for the paper application packet of existing employees to be reviewed first, and for existing employees to be scheduled to interview first [within the same day of interviews]).

111. **Posting of Notice**

- a. Notice of all job vacancies in the unit shall be posted online in prominent locations at each District job site, unless an eligibility list has been previously established.
- b. The job vacancy notice shall remain posted for five (5) work days, during which time employees within the unit may apply for the vacancy. Any bargaining unit employee, who will be on leave or layoff during the period of posting, may file an interest card with the Director of Personnel and that employee shall be informed of the vacancy.
- c. Sections "a" and "b" above shall not be applicable during the school summer recess. The District will discontinue the summer mailings and will instead notify employees of all vacancies through the District's website. Such employees may apply for the position(s) by the final filing date listed on the job posting. It is the employee's responsibility to keep an accurate address on file with the Personnel Office.

112. Notice Contents

The job vacancy notice shall include: the job title, a brief description of the position and duties, the minimum qualifications required for the position, the salary range, the deadline for applying to fill the vacancy, and where known, the assigned job site, the number of hours per day, regular assigned work shift times, days per week, and months per year assigned to the position.

113. Filing

Any employee in the bargaining unit may apply for the vacancy by submitting an electronic application to the personnel department within the application period. Any bargaining unit employee on leave or vacation may authorize their Shop Steward to file on the employee's behalf.

114. Promotional Order - Eligibility Lists

Eligibility lists may be maintained for certain entry and high turnover classifications. In the case of vacant positions for which there is an eligibility list of five (5) or fewer permanent employees, management shall fill the position pursuant to paragraph 116, sections "d" and "e" of this Article.

If more than five permanent employees are on the list, management shall fill the position from those permanent employees on this list.

115. Testing Procedures

- a. In addition to qualifying for oral examinations (interview) which are required for all positions, candidates may be required to successfully complete an initial test subject to the provisions of paragraph 115c.
- b. If an individual applies for a vacancy at their same salary level and the written test is the same as for their current position or applies for a vacancy in a lower classification for which the same skills are required but to a lesser degree, they are not required to take the written examination for the position being sought. However, they are still required to compete in the interview process. (List of "same test" positions attached as Appendix B.)
- c. If an individual is required to and successfully completes a written test but is not chosen for the promotion following the interview process, the written test results are valid for five (5) years for that classification plus lower classifications for which the same skills are required but to a lesser degree. In such a case, it is still the individual's responsibility to apply for subsequent promotional opportunities during the two-year period. All members will have a thirty (30) day grace period after expiration of the five (5) year period. During the grace period, members can still apply and interview for promotional openings.
- d. The District determines which candidates to be interviewed. Candidates with an Associate's degree or higher do not need to take a test.

- e. The District determines which types of tests will be required for any promotional position. The District will notify Local One prior to implementation of any changes in the tests required for a position. (Types of test attached as Appendix B.)
- f. The District determines the content of all tests and when and/or how tests shall be upgraded or otherwise modified. The District will notify Local One prior to implementation of any changes in the content of tests.
- g. If a unit member passes a portion of the written test but not the entire test, and wants to retake it, the unit member shall only be required to retake the portion(s) not passed. The validation time period of five (5) years commences once all portions of the test have been passed. All portions of the test must be passed within a twelve (12) month period to trigger the validation time period of five (5) years.

116. Interview Procedures

- a. In the case of a vacant position for which there is at least one unit member candidate and no eligibility list, an interview team shall rate candidates. The voting membership of the interview team shall include an equal number of management and Union appointees. The Local One appointee cannot be the same person who is vacating the position in question. The team shall be chaired by a representative of the Personnel Office. By majority vote, the team shall certify the three (3) most qualified candidates and management shall fill the position from those three (3).

The team shall certify persons based on the following criteria, where available; test results, attendance, seniority, performance evaluations, letters of recommendation, oral interview, work experience, and qualifications for position.

- b. Following all interviews, the full panel shall tabulate its results and determine the top three (3) candidates.
- c. The top three (3) candidates shall receive an interview with the hiring supervisor.
- d. Five or Fewer Candidates: If there are five or fewer qualified candidates, or if no unit members apply, the District may determine to:
 - 1) Send the candidates to the hiring supervisor for interviews. The hiring supervisor may choose to employ one of the candidates or reject all candidates.

In the latter case, the promotion process will recommence

OR

- 2) Readvertise the position.
- e. If the hiring supervisor rejects all candidates, or if no interviews are held due to the District's choice to readvertise the position, the original applicants' test results are valid upon readvertisement of the position and such applicants are eligible to recompute for the position. The District shall contact such individuals and, at the employee's request, the original applications shall automatically be considered new applications.

- f. Prior to interviewing any candidates, the panel will meet sufficiently in advance (e.g. 15 minutes to one-half hour) of the interview to determine questions to be asked during the interview. Such questions shall be limited to job- related subjects and shall be the only questions asked of each candidate. This shall not preclude the asking of legitimate, job-related follow-up questions to the candidates.
- g. Whether as a result of the panel interview process or the "three or fewer" immediate supervisor interview, a performance/demonstration examination may be required as part of the interview with the hiring supervisor. The District may use performance demonstrations and related scoring criteria from a list created by the Personnel Department and approved by the CST Unit President or designee. Copies of both shall be on file in the Personnel Office. The candidate shall be notified of any additional performance demonstration requirements at least forty-eight (48) hours prior to the interview.
- h. Union Appointees to Interview Panel: When a panel is to be convened, the District shall contact the CST unit Local One President and CST unit officers and request the name of a union- appointed panel member. Within two (2) working days of the request, the Local One President or designee shall provide the District with the name of an available, qualified unit member from the job classification in question to serve on the interview panel. If a name is not provided within the two (2) working day period, the District may appoint the panel member.

117. Promotional Procedures

Where an employee has accepted a promotion in the district, the current manager may hold the employee for more than 30 Calendar Days after District Human Resources provides written notice of the promotion to the employee. However, the District agrees to begin to compensate the member at the new and correct compensation level after calendar day 30 regardless if the promotion has begun. The new supervisors should negotiate a reasonable start date preferably two (2) weeks from the date of promotion. Promotional procedures shall only be as described in this Agreement. Promotions are governed by Appendix D of this Agreement except as expressly modified or abridged by the terms of this Agreement.

118. Allegations of Violations

Allegations of procedural violations of this Article are subject to the grievance procedure (Article 29) as follows:

- a. Sections 111 up to and including Section 115, and Section 117b are grievable through Step 5 (Arbitration).
- b. Every other section of this Article is grievable through Step 4 (Assistant Superintendent of Personnel or Designee).

**ARTICLE 38
RECLASSIFICATION**

119. The Director of Personnel is charged with the responsibility of recommending to the Superintendent and the governing board any changes or revisions in the established classification plan. Based upon input from District administrative personnel or any employee or authorized representative of employee organizations, and upon an appropriate review of duties and responsibilities assigned to specific positions, the Director of Personnel may recommend the reclassification of a position or positions where assigned job duties and responsibilities have changed significantly.

The basis for reclassification of the position must be a gradual accretion of duties and not a sudden change occasioned by a reorganization or the assignment of completely new duties and responsibilities. Determinations as to the gradual accretion will be on the basis of guidelines provided by administrative procedures. Work load increase will not be considered as a basis for reclassification review.

An employee who has been reclassified with their position shall be ineligible for subsequent reclassification with their position for a period of at least three years from the initial action.

120. **Salary Placement of Reclassified Positions**

When, as a result of reclassification of a position, the salary range of the position is moved upward, incumbents in the reclassified position(s) shall be placed at a step on the new range which will result in an increase of at least five (5) percent, providing such placement will not exceed the final step of the new range. When such placement would result in an increase in excess of the final step, the employee shall be placed at the final step of the new range.

When a reclassified employee is placed on Step 1 as a result of reclassification, they shall be entitled to movement to Step 2 at the end of six (6) months.

When, as a result of reclassification of a position, the salary range of the position is moved downward, all incumbents serving therein shall be continued at their former rate of pay (Y-Rated) until future salary adjustments provide a salary increase for those incumbents in the new salary classification. Other than reclassification, any other downward adjustment of salary shall be considered a demotion, and shall take place only in accordance with the layoff or disciplinary procedures of this Agreement and applicable law.

121. **Incumbent Rights**

When a position or class of positions is reclassified, the incumbent(s) in the position(s) shall be entitled to serve in the reclassified position(s).

122. **Administrative Procedures**

- a. Employees wishing to initiate a reclassification of their position(s) will submit a request on the appropriate district form to the District Local One reclassification committee by **March 1**. The deadline will be extended to the next work day if March 1 falls on a holiday or weekend. This request must include itemization of duties not contained in existing job description. Only reclassification requests which substantiate that the position responsibilities significantly exceed the requirements of the current position description in areas requiring additional skills, greater responsibility and decision-

making requirements, or more hazardous physical performance requirements, shall be considered. Additional performance requirements shall be considered.

Additional workload in areas covered by the current job description shall not qualify the position for reclassification consideration. A reclassification request is not the basis for a wage comparison study or a comparable worth study.

- b. The District Local One Reclassification Committee will send a copy of the reclassification packet to the immediate supervisor. The supervisor will review the packet, complete Part II of the form and return the entire packet to the District Local One Reclassification Committee. If the supervisor does not support the request, written rationale must be supplied to the committee with a copy to the employee. The employee may submit rebuttal in writing to the committee.
- c. All reclassification requests shall be reviewed by a panel composed of one (1) Local One appointee, one (1) District appointee, and a third appointee agreed upon by the District and Local One. The cost of the third appointee shall be shared by Local One and the District. The panel shall meet prior to April 1 to review the submitted packets. The employee(s) requesting the reclassification shall present their facts to the panel with any substantiating evidence. The committee shall review each request, interview each of the candidates, and make its recommendations to the Director of Personnel to a maximum of four requests per year by April 15. In extenuating circumstances, this number can be extended by mutual agreement.
- d. The Director of Personnel shall investigate each request forwarded by the committee and make their recommendation to the Board of Education by May 15. Written notification to applicants of their approval or denial shall occur no later than the first board meeting of June.
- e. The decision of the Director of Personnel on reclassification requests shall be final.
- f. All approved reclassification requests shall be effective upon Board approval and applied prospectively on July 1.
- g. Neither decisions on reclassification requests nor this procedure shall be subject to the grievance procedure of the negotiated agreement.

Reclassification Timeline

- By March 1- Reclassification application requests must be submitted to Personnel Services by this date. The deadline will be extended to the next work day if March 1st falls on a holiday or weekend.
- By April 1- Requests shall be reviewed by the Panel. Interviews with employees requesting reclassification shall be scheduled.
- By April 15 - Interviews for employees requesting reclassification shall be held. The committee shall review all reviewed reclassification requests and make its recommendations to the Director of Personnel.

- Written notification to applicants of their approval/denial shall occur no later than the first board meeting of June.
- By July 1-All approved reclassifications shall be effective upon the Board's approval and applied by this date.

All vacancies within the bargaining unit shall be posted on the District website, and an announcement emailed to, and posted at, all work sites where employees in the unit are regularly assigned at least seven work days prior to the deadline for transfer applications. A work day is defined as a day when the administrative offices of the District are open.

transferred or hired for the position, the reasons for overruling seniority shall not be arbitrary or capricious.

- d. An employee who has applied for the vacancy shall be given the reason(s) for their being unsuccessful, upon written request. If the employee is still unsatisfied, they shall be entitled to a conference with the hiring administrator, upon request.
- e. Employees seeking transfer shall be considered first in filling vacancies within the bargaining unit.

- c. When an involuntary transfer is necessary, volunteers shall be considered for transfer first. If there are no volunteers, the employee at the site with the least District seniority within the classification shall be transferred.
- d. Involuntary transfers shall be to positions of the same number of hours, unless the employee's hours are reduced by agreement or in accord with Article 36 (Layoff Procedures).

126. Transfer for Just Cause

- a. Except for the reason noted above in section 125, no employee shall be involuntarily transferred without just cause. In determining just cause, a finding adverse to the employee is not required, only a showing that the transfer is in the best interest of the school, or other work site.
- b. When a transfer pursuant to this subdivision is made, the employee shall be given a written statement of the reason(s) for the transfer. The employee may file a grievance at Step 4 of the Grievance Procedures within five (5) days of receipt of such notice. The decision at Step 4 may be taken to Step 5 as provided in the Grievance Procedure.

**ARTICLE 40
PROFESSIONAL DEVELOPMENT**

The District reserves the right to identify two of the three professional development (in-service) days within the CST work year for training and/or professional development. Topics will be at the

District's discretion with input from CST. The parties shall meet and confer annually prior to scheduling all training/professional development dates.

ARTICLE 41 CAREER DEVELOPMENT

The District shall provide a Career Development Fund to the CST Unit for the purpose of education and training. All Local One members are encouraged to improve their knowledge and skills as they relate to their present position, to prepare for a higher position in their present or related field, or a degree program that relates to education or human services. The District will reimburse the cost up to \$400 so long as the funds are available to any current employed Local One employee who undertakes academic, technical, vocational training, or education. The up to \$400 reimbursement shall be known as the "Career Growth Award".

Effective March 27, 2007, the parties agreed to form a single committee to address issues pertaining to Career Development ("Committee"). This solo Committee replaced the current Professional Growth and Professional Enrichment committees. Effective September 5, 2013, the Committee will be comprised of two members assigned by Local One/CST and two members assigned by the District. The Committee shall address issues pertaining to the articles and improvement, if any, and also will determine how the available funds are to be allocated, if applicable. The Committee shall discuss other issues as may arise to ensure that the parties meet their objective of providing career development to employees.

****Applications must be submitted to the Committee for review and approval prior to beginning the class or training if a unit member intends to seek a Career Growth Award.**

127. In-service Entitlement

An employee shall be entitled to be released from duty with pay one (1) day per year for vocational training. That training must relate to present employment or a promotional opportunity.

The day to be used and the program attended are subject to prior approval of the immediate supervisor. That approval shall not be unreasonably withheld.

a. Responsibility of Applicant:

- 1) Each individual applicant shall seek out courses and submit their plan to the Committee for approval on the official district application form.
- 2) Each applicant shall keep an accurate accounting of all credits earned.
- 3) Each applicant will be required to provide proof of successful completion of courses before credit will be granted by the committee

b. Use of One-time Carryover Funds

Effective with the 1995-96 fiscal year, the district shall establish a budget for Professional Growth Award of \$2,000. The unexpended balance will be carried forward from one year to the next. As of September 5, 2013, the balance of this fund is \$36,641.

Courses taken at any accredited college, university, business or technical school, or courses given by a recognized school shall be approved as follows:

- 1) Reimbursement to a maximum of \$400 per employee per fiscal year.
- 2) Eligibility is restricted to a minimum of one year's employment with MDUSD.
- 3) Only non-probationary employees are eligible to participate in this program.
- 4) A year, as described in this policy shall coincide with the District's fiscal year - July 1 through June 30.

Eligibility to participate in the Career Development Program

- a. Courses must be taken on the employee's own time, outside their normal working hours. Request for reimbursements must be made on the approved forms available in the Personnel/Human Resources Office.
- b. Employee must maintain a "C" level grade or receive a Certificate of Completion to be eligible for reimbursement and present proof of same at time of reimbursement request. Reimbursements shall be made within 30 days of completion of the course upon proof of satisfactory completion.
- c. An employee must satisfactorily complete a class in a qualifying job-related course. This program is restricted to limits to ensure fairness and availability to all eligible members within the unit.
- d. Upon completion of coursework, the employee is eligible for reimbursement for the class taken. Reimbursements are payable following receipt of (i) credit with a passing grade of C or better, or pass on the pass/fail system, or Certificate of Completion, and (ii) a Verifiable Receipt of monies paid by the actual employee. Please note: If an employee fails to satisfactorily complete and approved course, they shall not be eligible for any refund for that course. Copies of transcripts of grades, a record of units completed, and copies of Certificates of Completion of approved courses shall be placed in the employee's permanent personnel file.
- e. All education, training or programs approved under this program shall be completed on an employee's own time and at their expense.
- f. A \$400 per employee per fiscal year limit shall apply to Professional Growth Awards.

ARTICLE 42 SALARY ADMINISTRATION

128. Definitions

- a. All education, training or programs approved under this program shall be completed on an employee's own time and at their expense.

- b. Enhanced base pay is defined as Base Pay plus Special Compensation items.

Extra pay for continued service with the District is provided under a longevity-pay plan and is included in an employee's earnings as special compensation as a percentage on the enhanced base pay. Longevity is calculated using base pay plus Special Compensation items which are: shift differentials, temporary upgrade pay, off salary schedule pay, and special assignment pays. Special Compensation must meet the requirements of CCR section 571 (1) and (2) in order for it to be reportable for CalPERS members.

129. Initial Placement

- a. All new employees assigned to a regular position shall receive the first step of the salary range for the class to which the position is assigned unless after a review by a Human Resources Administrator, it is determined that the candidate has relevant experience working in another school district or related field. In this case, the candidate would receive steps of payment comparable to the years of experience.
- b. Per the rights afforded by current law, the District shall place any newly created CST bargaining unit classification(s) on the salary schedule, subject to negotiation with Local One, C/S/T regarding the appropriate wage rate. Pending the outcome of such negotiations, the District may fill position(s) in the new classification(s) at the District-determined wage rate.

130. Step Increase

- a. An employee occupying a regular full-time or part-time position shall advance to the next higher step on the appropriate salary range following completion of six (6) months (130 work days) of probationary service in the class. The employee's Anniversary Date shall be established for future five (5) percent annual step adjustments at this time. Such Anniversary Date shall be established on the first day of the month; or, the first day of the following month if the first increment date falls during the sixteenth to the end of the month.
- b. Following the initial step advancement, succeeding step adjustments shall be granted annually on the employee's established Anniversary Date. The step advancement may be denied or delayed if the employee's evaluator gives them an overall rating of unsatisfactory. Denial of a step increase shall be subject to the grievance procedure of this Agreement.

131. Salary on Promotion

When an employee is promoted they shall be placed on a step on the new range which shall result in an increase of at least five (5) percent, providing such placement shall not exceed the final step of the new range. When such placement would result in an increase in excess of the final step, the employee shall be placed at the final step of the new range. Upon completion of the probationary period in the new class, the employee shall be moved one (1) step, in accordance with Appendix D, providing they are not at the final step.

132. **Longevity Pay**

Extra pay for continued service with the District is provided under a longevity-pay plan and is included in an employee's earnings as special compensation as a percentage in the enhanced base pay. Employees completing ten (10) years of continuous service shall receive an additional three point five (3.5%) percent of their salary schedule rate. An additional three point five (3.5%) percent of the employee's salary schedule rate is received with completion of each four (4) year period thereafter.

133. **Time of Payment**

Employees shall be paid on the last working day of the month in which the work is performed. Extra duty assignments and overtime shall be paid no later than the tenth (10th) day of the calendar month following the month in which the work was performed provided the work was completed by the 20th day of the month.

134. **Temporary Assignment Out of Classification**

An employee assigned and approved by their supervisor to perform more than 50% of the duties of a higher classification (reference Govt. Code 20480 I) over the duration of five (5) consecutive work days or more for a vacancy or an ongoing absence, other than those of the classification to which they are currently assigned, shall receive an upward salary adjustment of five percent (5%). This salary adjustment of five percent (5) will be above their regular rate of pay for the period of the temporary assignment (not to exceed 960 hours for the fiscal year, (reference Govt. Code 20480 a).

135. **Bilingual Pay**

- a. CST unit members who are identified by Superintendent or designee pursuant to c. below, and who meet all of the criteria in b. below, will be eligible to receive a five percent (5%) increase ("stipend") above their regular rate of pay.
- b. To be eligible for the stipend, the unit member must:
 - 1) demonstrate a fluent oral and written command of the primary language other than English by successfully passing the bilingual assessment test for clerical and secretarial unit members:
 - 2) use a language other than English throughout the work day as part of their normal job duties to serve the students and community; and
 - 3) occupy an eligible position identified by the Superintendent or designee per paragraph 135c.
- c. The Superintendent or designee is solely responsible for identifying the school sites, departments, and person(s) that will be eligible to receive the stipend, and for determining if an employee is eligible for the stipend under the criteria as set forth above.

- d. Unit members who perform bilingual services, but who do not qualify for the five per cent (5%) stipend per paragraph a-c above, may still be eligible for Out of Classification compensation per paragraph 134.
- e. At the time of hire, the District will notify all employees of the opportunity to test to provide bilingual services at those sites or programs identified in section C.

ARTICLE 43 SALARY

2024-2025 School Year

The District agrees that the CST Salary Schedule shall be increased by nine (9%) effective July 1, 2024, representing a salary increase for the 2024-2025 school year.

2025-2026 School Year

“Me Too” Agreement

If the district reaches a final, ratified and approved agreement with MDEA which provides for an across-the-board salary schedule increase (or increase in District medical benefits contribution), the CST bargaining unit members will receive the same percentage salary (or increase to medical benefits contribution) for the 2025-2026 school year-with the same effective date as agreed to between the District and MDEA. Salary and medical benefits are defined solely as annual base, salary and annual District contribution to medical benefits.

If a challenge is made to any District calculations, the parties shall promptly meet to discuss the difference between them and attempt to reach resolution. If no resolution is reached, CST may file a grievance (and no salary or benefit adjustment will be made pending the resolution of the grievance). Only the CST unit may grieve an alleged violation of this agreement or any of its provisions. No individual unit member may grieve or file any claim concerning an alleged violation of this “me too” agreement or any of its provisions. The right of individuals to file such claims will be deemed expressly waived by the ratification of this agreement by the bargaining unit.

This agreement excludes any reclassification or reorganization of any other units, and does not encompass any compensation increase for any District employees other than increases in base salary and base medical benefits as specifically identified above as part of successor or reopener contract negotiations with other units. For example, an agreement regarding class sizes, or work year calendar days, or changes to individual positions in other units (e.g. changes to some positions due to minimum wage changes), or agreements outside of successor or reopener negotiations with other units, which arguably impact compensation, will not trigger any obligation under this Agreement. Such changes in working conditions or compensation items other than annual base, salary and medical benefits, or those negotiated by other District employees, do not create any District obligation under this Agreement. This “me too” agreement shall be considered a part of the agreement and applies for the 2025-2026 year only.

ARTICLE 44
EMPLOYEE BENEFITS

136. Coverage:

- a. The District will pay 100% of the Kaiser CalPERS rate, by level, for single, employee+ 1 and family plan for all of the 2024 and 2025 benefit plan years (January 1, 2024 through December 31, 2025). The full 2025 Kaiser CalPERS rate will establish a new minimum dollar amount of District medical benefits contribution. Effective January 1, 2026 and moving forward, in each subsequent Benefit Year, the District will pay eighty percent (80%) of the annual increase of the Kaiser CalPERS rate for that Benefit Year for each applicable tier; provided that the dollar increase does not exceed four percent (4%) of the then current dollar cost. Should the dollar cost increase in any year exceed four percent (4%), the District share will be calculated to include eighty percent (80%) of the first four percent (4%) increase and the employee's share shall be the remaining twenty percent (20%) of the first four percent (4%) increase. In any year the increase exceeds four percent (4%), the amount over four percent (4%), shall be paid by the employee, unless the District and CST negotiate a different amount. If this is the case, the District share may be less than eighty percent (80%) of the then current Kaiser CalPERS rate.
- b. In the event that the dollar cost increase exceeds four percent (4%) and the District/Bargaining unit negotiation regarding any excess percentage share begin, benefit coverage will continue. Members will not be at risk of losing coverage during these negotiations.
- c. The District will continue to pay the full cost of vision and dental benefits for all employees working 4 or more hours per day and 20 or more hours per week.
- d. Employees who separate from the District will have any remaining balances owed deducted from their final pay check.

137. Health Benefit Opt Out

Employees may opt out of medical coverage at any time without penalty and without having to show proof of other insurance. However, in order to qualify for cash in lieu payments, the employee must provide proof of other insurance.

138. I.R.C. Section 125 Plan

A Section 125 Plan shall be available for unit members to use to pay with "pre-tax" dollars the difference between the District's contribution toward medical benefits and the cost of a more expensive plan offered by CalPERS and selected by the employee. Such plans may also be utilized, within the sole discretion of the employee, to voluntarily purchase with pre-tax dollars, other kinds of benefits, e.g., orthodontia, child care, etc. Purchase of these additional benefits is the employee's sole responsibility. If an employee chooses to set aside "a certain amount of money, but fails to fully utilize the amount within the plan year, any amount not used is surrendered to the District."

139. **New Employees**

New employees must enroll in health benefits and any optional Section 125 Plan within sixty (60) days of the first date of eligible employment.

140. **Retirees**

- a. The District shall reimburse health and medical plan insurance premiums for those classified employees fifty-five (55) years of age or older retiring under the Public Employees Retirement System who are current members of the Classified Service having five (5) years of full-time employment with the District until said employees become eligible for Medicare benefits.

- b. **CalPERS Payment**

The District will contribute seventy-eight dollars and forty cents (\$78.40) per year directly to CalPERS for each eligible retiree for medical insurance. Pursuant to California Government Code §22892 (c), this amount shall increase annually by at least 5% of the employer contribution for active employees until such time as both are equal. In addition, the District will contribute to each retiree who qualifies under Section 140a, on an individual basis an amount which, when added to the annual amount will cover the plan as provided in Section 140a.

Because PERS requires that the CalPERS premiums be deducted from the retiree's PERS warrant, the District will provide, in advance, a non-taxable reimbursement monthly up to the amount designated above.

Should the retiree subsequently enroll in a more expensive plan, the District's obligation is limited to the lower amount (i.e., the contribution level for retiree's health benefit in Section 125, one-party plan).

141. **Retirement Health Benefit and Incentive**

Effective for employees who retire after July 1, 2016, the District will reimburse or reinstate coverage, taking into account each individual retirees' circumstances, for medical benefits for the retiree only at the CalPERS Kaiser Rate as well as pay the cost of dental insurance for a maximum of ten (10) years or until the retiree reaches age 65, whichever occurs first. In order to be eligible for retiree medical and dental benefits, the employee must have worked for the District for at least five years prior to retirement. The employee must complete the appropriate application in the office of the General Counsel at least thirty (30) days prior to their retirement date in order for reimbursement of medical benefits to begin immediately upon retirement.

142. **Requirements/Conditions Imposed by Carriers**

The benefits provided under this section (Retiree Health Benefits) shall be subject to any requirements or conditions which may be imposed by the carrier and/or provider.

143. Payroll Deduction Rights and Information

In addition to the foregoing District-paid plans, an employee may authorize amounts to be withheld for premiums of certain group life, income protection, and disability insurance plans. Information on these programs may be obtained from representatives of Local One or from the Risk Management Department.

144. In Lieu of Medical Coverage

An employee who is otherwise provided basic group medical coverage may opt to have the District pay one hundred forty dollars (\$140.00) per month (or the highest rate paid for all District bargaining units) cash in-lieu of benefits. Such payment shall be in lieu of medical coverage paid by the District and shall be initiated only following the employee's certification, on a form prescribed by the District, of alternative coverage.

145. Application of Grievance Procedure

The administration of any of the plans referenced in this Article shall not be subject to the grievance procedure.

146. Leave of Absence - Effect on Benefits

- a. Hospital, medical, dental, vision and prescription drug coverages continue as part of the compensation of employees on paid leaves of absence.
- b. Employees on authorized, unpaid leaves of absence may continue their hospital, medical, dental, vision, and prescription drug coverages at the employee's expense.
- c. Typically payment in advance for a three (3) month premium is required; however exceptions to the three (3) month advance payment may be made on a case by case basis. Payment shall be made with either a cashier's check or money order. In the event of a price increase in any of the coverages, the employee on leave shall pay the increase with either a cashier's check or money order. A billing shall be sent to the employee on leave for immediate payment. It shall be the employee's responsibility to notify the District of any change in address or family status to insure continuity of coverages. Prepaid premiums must be received by the tenth (10th) of the preceding month in the office of the Director of Fiscal Services for coverages to continue effective. Coverages must continue without interruption in order to insure eligibility and protection.

147. Extension of Health Benefits

Any employee who is laid off may continue to participate in the District benefit program as specified in this Article at their own expense for a period of up to six (6) months.

ARTICLE 45
TERM

148. Term

This agreement shall have a three-year term from July 1, 2024 through June 30, 2024. The agreement completely closes negotiations for the 2024-2025 and 2025-2026 school years. The agreement is open for the 2026-2027 on salary, benefits, and one article selected by CST and one article selected by the District.

149. Successor Agreement

The Union and the District shall present proposals for a Successor Agreement no later than March 30, 2027.

Mt. Diablo USD**Personnel****Promotion/Demotion/Reclassification****Promotion**

Any employee may qualify and be selected for placement in a class with a higher maximum salary range than that which he/she currently occupies. This change in assignment is termed a promotion and is effected in accordance with the procedures outlined in BP/ AR 4211 relating to employee selection.

Beginning on the first day of paid service in a higher classification, the employee will receive the first step of the higher applicable salary range provided a minimum 5% upward adjustment over his/her present rate of pay occurs. In the event this does not occur, the employee will be placed on such step in the applicable new range that provides a minimum 5% upward adjustment in salary up to the final step of the new range.

An employee promoted into a non-management position shall be considered probationary in the new position for 130 work days (six months). Advancement to the next higher salary step follows satisfactory completion of the probationary period, at which time a new anniversary date is established. If the employee is unable to qualify for permanent status in the class to which he/she was promoted, the employee shall have the right to claim the first vacant position in any existing class in which he/she had previously gained permanent status.

An employee occupying a regular position may temporarily be promoted to a higher level class with appropriate administrative approval

Demotion

A demotion occurs when an employee is voluntarily or involuntarily placed in a class with a maximum salary range less than that which the employee currently occupies. An involuntary demotion is effected only under the provisions outlined in BP/AR 4218 relating to disciplinary action.

Upon demotion, the employee will be placed on the step in the lower salary range that is closest to his/her previous rate of pay without exceeding it, unless otherwise directed by the Governing Board.

(NEW) AB-119 - New Employee Orientation (NEO)

Assembly Bill AB-119 (New Employee Orientation- NEO) requires that the public employer (Mt. Diablo Unified School District/MDUSD) provide the exclusive representative (Public Employees Union, Local One) of said employees, mandatory access to its new employee orientations. The parties (MDUSD and Local One) agree to the following and acknowledges the parties' obligation to negotiate pursuant to Government Code Section 3557 and as such, parties waive their right to compulsory arbitration provided in Government Code Section 3557.

New employee orientation (NEO) means an "in person" meeting designated as such and scheduled with representatives of the Mt. Diablo Unified School District to advise and inform new employees of their employment benefits, responsibilities, Union/ District Rules, and other similar related matters. Currently, MDUSD performs new employee orientations once a month. However, there may be instances where orientations are held on a different date and/or time following their actual start date due to business needs. Typically, the orientation process lasts one (1) hour and occurs during working hours.

Notice Requirements

Mt. Diablo Unified School District/ MDUSD will make every effort to provide written notice (by email or letter) to the Union of all new employee orientations, which they represent, at least fifteen (15) calendar days, no less than ten (10), prior to the scheduled orientation. The new employee orientation notice provided to the Union shall include the date, time, and location of the orientation. This will allow for proper scheduling to ensure that representative(s) from the Union are available to meet with the employee prior to or following the orientation session. If the Union or its representative are not available on the day or time the District has scheduled its orientation, the District will allow the Union to meet with the new employee within a week of hire.

Public Employees Union, Local One will be provided the opportunity to have its CST representatives to meet with the new employee for up to 60 minutes of uninterrupted private time. The Union may provide for example, literature, written materials, packet of information, and or a visual presentation about its Union to the new employee(s).

The Union's portion of the NEO will be conducted during paid District time as a regular part of the new employee orientation. Typically, the Union's representatives are comprised of the Business Agent and other CST bargaining unit members. Approval from the Department Director shall be authorized prior to a bargaining unit member attending the new employee orientation. At no time shall the bargaining unit member (acting as a Union representative) meeting with the new employee result in any overtime or additional costs to the District unless agreed to. A bargaining unit member attending the orientation as a Union representative shall do so during their regular working hours so as to not incur additional costs to the District. If release time is requested, the Union will provide the District, in advance notice, of the name(s) of the bargaining unit member(s) who they wish to attend the orientation.

During the new employee orientation, MDUSD shall clearly communicate to each new employee hired into a position/classification represented by the (Local One) bargaining unit, that the employee's position is represented by Local One. To properly identify current leaders, the Union will provide a roster of current representative(s) to the District prior to such orientation.

Reporting Requirements

Within 30 days of hire or by the first pay period of the month following hire, MDUSD shall provide Public Employees Union, Local One with the name, job title, department, work location, work, home and personal cellular telephone numbers, personal email addresses on file with the employer, as well as home address of all newly hired employees. AB-119 requires that MDUSD provide the Union with this information for all employees in the bargaining unit at least every 120 days.

Memorandum of Understanding Between
The Mt. Diablo Unified School District
And
the Clerical, Secretarial & Technical Unit (CST)
Regarding an on-schedule salary increase for the Hiring and Retention Bonus agreement
June 22, 2022

This Memorandum of Understanding ("MOU") is entered into, by and between the Mt. Diablo Unified School District ("MDUSD" or "the District") and the CST, hereafter collectively referred to as "the Parties," on June 22, 2022 regarding an on-schedule salary increase to resolve all and any questions or potential disputes regarding the most recent successor contract and whether or not any agreed to compensation increases apply to any money outside of the base regular monthly salary (such as stipends, vacation rates, substitute rates, etc.).

CST and the District agree to the following:

1. The parties agree that MDUSD, without reopening the contract, will provide an additional 1.5% on schedule increase (pending board approval and AB1200 approval from the county). (This is in addition to any increase agreed to in the most recent completed collective bargaining agreement between the Parties dated April 12, 2022.)
2. The 1.5% on-schedule salary increase will become effective 9/1/2022 for the 2022-2023 salary schedule. The increased salary rate provided for in Paragraph 1 above is for an employee's salary (going forward from 9/1/2022) and shall be reflected in the August 2022 paycheck or the next paycheck thereafter.
3. Violations of this MOU or agreement shall be subject to the grievance article of the Collective Bargaining Agreement between the Parties.
4. This agreement is non-precedential and does not establish a past practice.
5. In exchange for the above referenced salary increase, CST agrees:

The following section will replace Article 37, Section 116 "d"

- a. "d.. The District determines which candidates shall qualify to be interviewed based upon its assessment of the initial tests. A maximum of ten (10) candidates may be interviewed based upon the highest scores above the minimum passing score. Candidates with an Associate's degree or higher do not need to take a test.
- b. to waive any and all claims that the 2021-2022 salary increase provided for under the Tentative Agreement reached by the parties dated April 12, 2022 applies to increase previous payments for items such as stipends, hourly rates, overtime, or any other compensation other than an employee's base salary, unless otherwise explicitly stated under the existing terms of the CST CBA.

6. This constitutes the full extent of the salary increase contemplated by the Parties under the current collective bargaining agreement. The Parties agree that the "me-too" provision of the Collective Bargaining Agreement does not trigger any additional compensation claims should any other unit also receive MDUSD board approval for any additional salary compensation during the months of June through September, 2022.
7. The District and CST agree that nothing in this agreement alters the term of the existing collective bargaining agreement (except as noted above in section 5) nor is this agreement intended to open or "unzip" the existing collective bargaining agreement which, by its express terms, is closed through June 30, 2024.

August 11, 2022

This Memorandum of Understanding ("MOU") is entered into, by and between the Mt. Diablo Unified School District ("MDUSD" or "the District") and CST, hereafter collectively referred to as "the Parties," to only slightly amend the prior MOU of June 22, 2022

The amendment only alters sections of the June 22, 2022 memo related to the effective date of the 1.5% on-schedule salary increase.

All other provisions of the June 22, 2022 MOU remain in effect.

CST and the District agree to the following minor change:

1. The 1.5% on-schedule salary increase will become effective 7/1/2022 for the 2022-2023 salary schedule. This increased salary rate is only for an employee's base salary only (i.e. not for any timesheets prior to September 1, 2022), and shall be reflected in the August 2022 paycheck or the next paycheck thereafter.
