Student Aid Index

- Your Student Aid Index (SAI) is a formula-based index number ranging from –1500 to 999999.
- A negative SAI indicates you have a higher financial need. For example, if you have an SAI of –1500, you'll qualify for a maximum Pell Grant award assuming you have not exhausted your lifetime amounts and meet all student eligibility requirements.
- Your SAI **is not a dollar amount** of aid you'll receive, what your family is expected to provide
- During your aid process, you will see the following: an estimated SAI on the confirmation page of your FAFSA form
- Your official SAI is within your FAFSA Submission Summary (after your FAFSA form is processed)
