School Goals

Talent Elementary School firmly believes in our district mission statement, excellence for everyone. We believe that our students, families, and staff deserve the best from us as a public institution. We also believe that our stakeholders deserve to allow their own individual strengths to shine in excellence. We strive to be a school where everyone feels a sense of belonging. We value creating a positive learning environment for students by focusing on both wellness and academics.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

Student safety, both physical and emotional is a priority. We utilize several programs to create a sense of belonging for all. We have an orientation on the first day with our families and our kindergarten teachers do one on one visits with all our kindergarten families. Our inclusive programs consist of a K-5 Two-Way Spanish program that highlights our Spanish community. We have a self-contained special education classroom that serves students with special needs with efforts to move toward more inclusive practices.
