COLLEGE GOING

Students enrolling in a two or four year college within 12 months of completing high school in 2021-22. Data from the National Student Clearinghouse.

School Goals

At Creekside Community High School, we are committed to making sure all students feel part of a community of care, connection, and support. We work to identify the support needed to help students overcome internal and external barriers to academic success. Our program combines 21st Century Learning, rigor, and culturally responsive teaching. We engage students through collaborative, student-driven, project-based learning. In this way, our students will become active leaders of their own community.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

TTSD continuously evaluates and responds to the needs of our ever-changing world and specifically our student population. We hold an uncompromised commitment to the safety and well-being of our students and staff, and maintaining a safe, inclusive, respectful, and rigorous learning environment. Our goal is for all students to feel physically and emotionally safe and respected. We are led by Board policies dedicated to protecting all students, staff, and families from discrimination, bias, hate, and harassment.

About Our School

ADVANCED COURSEWORK

All students at Creekside have access to advanced coursework through both online learning options and high-quality, student-driven, project-based learning. Creekside also works collaboratively with TTSD High Schools to provide access to other advanced coursework options.

CAREER & TECHNICAL EDUCATION

Creekside offers five Career and Technical Education Pathways all geared for community-centered sustainability, hands-on learning, career exploration, and personal agency development:

- Community Design (Manufacturing)
- Culinary Arts
- Sustainable Agriculture
- Cascade Education Corp (Environmental Services)
- Community Leadership (Human Services)

EXTRACURRICULAR ACTIVITIES

- Community Service Projects
- Supa Fresh Youth Farm (youth run business)
- Youth Conservation Corps
- Learn & Earn Afterschool Work Opportunities
- Clubs/Club Sports

PARENT & COMMUNITY ENGAGEMENT

TTSD creates collaborative, culturally responsive relationships with all families. Communication is delivered in a variety of ways to ensure parents are informed and engaged in their students' learning and school environment. We welcome parent volunteers in our classrooms and school. Dedicated staff work with our families to serve the needs of each of our students. All major decisions that impact our students are made in partnership with our students and families.
