THE TRUMPET

for

Nineteen Hundred and Fifty-Five

DEDICATION

In grateful appreciation for his loyal service and cheerful aid we, the class of 1955, dedicate our yearbook to Mr. Roderic Smith.

APPRECIATION

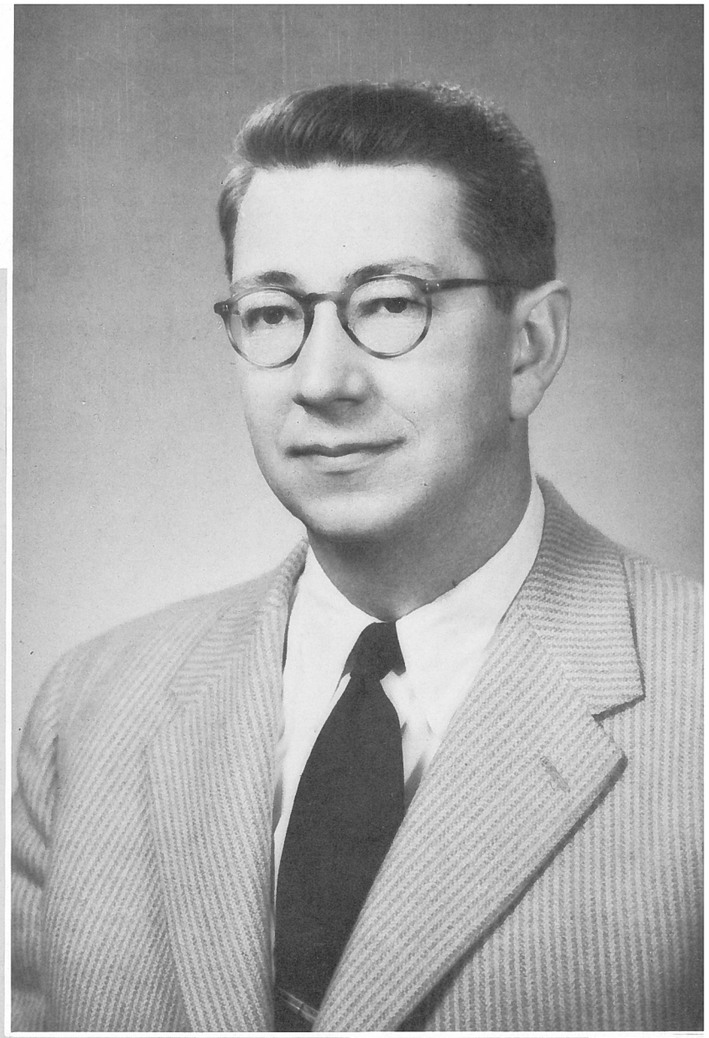

We, the class of 1955, express our gratitude for all the help you have given us during our years at M. C. I.

Today's world breeds uncertainty and insecurity for all of us. Yet there never was a time, it seems to me, when goals to work for were more important. One of these goals you seniors have reached and you are to be congratulated -- graduation from high school. But if you have no goals beyond high school, your life will have little purpose. A ship without a rudder never was worth much. Goals are pretty important to all althletic contests -- why not life? A good job, a good family, a good education -- all are worthy goals, but they require devotion and a lot of hard work.

Set for yourself worthy and reasonable goals and your daily tasks will add up to something. You'll do them willingly because you have purpose and direction.

"This one thing I do, forgetting those things which are behind ... I press toward the mark ..."
Philippians 3:13, 14

IN MEMORIAM

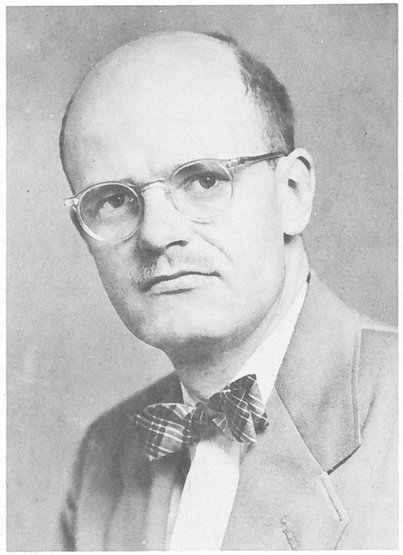

Glennis Hunter Willey

June 20, 1907 - March 18, 1954

It is with profound regret that the Class of 1955 records the passing of a loyal alumna and devoted servant of the School whose thirty years of service to MCI as secretary to the principal and registrar form an enduring memorial to a fine woman.
Conscientious, faithful, always loyal to the best interests of M.C.I., Glennis Hunter Willey richly merited the esteem in which she was held by students and faculty alike.

IN MEMORIAM

ROYAL GROVER

For thirty-nine years a valued member of the staff of Maine Central Institute, Royal Grover was more than just a worker at the school. Teachers might come and go, students might enter and leave, but Royal Grover remained, a capable and conscientious artisan in the truest sense of the word. From 1914 until his retirement as superintendent of grounds and buildings in 1953, Royal was a friend to all at M. C. I.

The campus, with its attractive grounds, the buildings in good repair, the countless pieces of mechanical and electrical equipment in running order-these remain as the memorial of a man who gave freely of himself and his time in order that others at MCI might safely ignore the physical plant in their concentration on the educational mission of the school. He will long be remembered by generations who have studied and taught during his day.
