Director of Humanities

Kim Knisell
Director of Math & Science

Channel Malissa Reeder
Director of Guidance

Beth Fletcher
*Director of Physical Education,
Health & Athletics*

Richard Wert
Director of Technology Services

School Profile

Community

Franklin D. Roosevelt High School is located in the historic town of Hyde Park, NY, approximately 75 miles north of New York City. Hyde Park is the home of President Franklin D. Roosevelt and the site of the FDR Presidential Library and the Eleanor Roosevelt National Historic Site at Val-Kill. Our home in Dutchess County, a part of the mid-Hudson Valley, has a long tradition in agriculture and has, more recently, become a major site for the computer and electronics industry. We are fortunate to be home to many comprehensive health care facilities, seven colleges and universities, including the Culinary Institute of America and a thriving travel and tourism industry.

F. D. Roosevelt High School

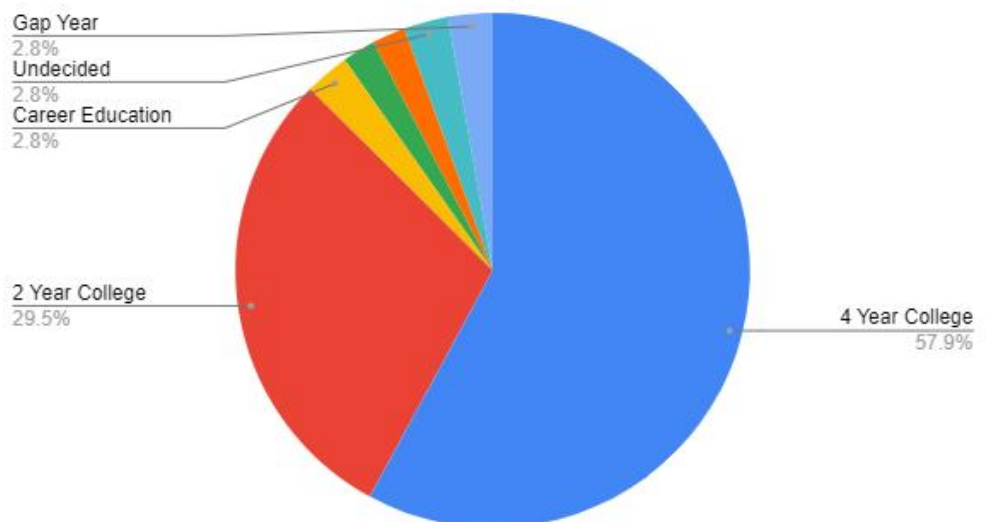

FDR High School is part of the Hyde Park Central School District; we have a diverse student body of 1,250 who come to us from all racial, ethnic and socio-economic backgrounds. FDR High School offers the Winners Circle Project based Project Lead the Way, AVID, 17 Advanced Placement courses and dual enrollment courses with Dutchess Community College, Marist College, and Rochester Institute of Technology. Our recent graduates have gained admission to many of the most selective colleges and universities in the country as well as campuses of the State University of New York. FDR students have received recognition as National Merit Scholars and National Hispanic Merit Scholars; many earn distinction through our rich programs in Art and Music and through the many interscholastic sports that are sponsored through the Hyde Park Central School District.

Graduates — Class of 2024

179 New York State Regents diplomas

73 New York State Advanced Regents diplomas (18 w/ Honors and/or Mastery)

What will they do next?

Distribution of Graduates

Class	Size	College	4-Year	2-Year	Other	In-State	Out-of-State	Work	Military	Undecided
2023-2024	264	87%	66%	33%	3%	82%	18%	1.14%	1.14%	3%
2022-2023	247	70%	38%	31%	4%	88%	12%	15%	3%	4%
2020-2021	252	72%	37%	36%	5%	65%	10%	2%	>1%	20%
2019-2020	265	68%	30%	38%	27%	54%	8%	3%	2%	25%
2018-2019	301	82%	38%	44%	3%	87%	13%	4%	3%	6%

Scholastic Aptitude Test

	Mean Critical Reading	Mean Math	Writing	Total	Total Tested

22-23	574	551	N/A	1126	109
21-22	539	523	N/A	1063	12
20-21	527	514	N/A	1041	38

Special Curriculum Features

Honors level courses are offered in most curriculum areas. Advanced Placement courses are currently offered in Calculus (AB), Physics 1 and 2, Chemistry, Biology, Environmental Science, English Literature, Spanish, French, European and American History, Psychology, Computer Science (A), Computer Science Principles, Statistics, Music Theory, Drawing, Ceramics, Sculpture and Fashion. College bridge programs are offered with two neighboring institutions. Project Lead The Way courses were added in 2015 to provide students access to college level Engineering programs. Capable students are encouraged to select honors level and advanced placement courses where appropriate.

The AVID program is part of a global initiative that attempts to close the achievement gap by preparing students for college. AVID students typically come from first-generation, culturally diverse and economically challenged families. They take coursework that challenges their writing and thinking abilities and develops strong organizational and leadership skills.

Extracurricular Activities

A wide range of activities, interscholastic sports and performing groups are offered to students. Activities include: fall drama, AV broadcasting, ski club, Sources of Strength, yearbook, school musical, student government, photography, and honor societies include: National Art Honor Society, National Honor Society and International Thespian's Society. Interscholastic competition is offered in baseball, softball, soccer, bowling, golf, volleyball, basketball, football, tennis, crew, cross country, winter and spring track, lacrosse, wrestling, and gymnastics. Performing groups are available in orchestra, concert band, symphonic band, wind ensemble and chorus.

Grading System

A standard numerical grading system is utilized; 65 is passing. Rank in class is computed on a weighted basis. Class averages on transcript are unweighted; overall average for six semesters is weighted as follows:

General—1.00 Regents—1.02 Honors—1.04 Advanced Placement—1.06
