

WASHINGTON
COMMUNITY SCHOOLS

PRELIMINARY DETERMINATION HEARING #1

EDUCATIONAL NEEDS FOR PROJECTS
NOVEMBER 21, 2024

HOW DID WE GET HERE?

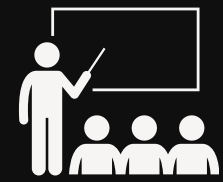

► COMMUNITY FACILITY STUDY COMMITTEE

- 62 community members - parents, community leaders, teachers, support staff, administrators, business owners, farmers and other stakeholders
- 6 meetings spread out over 3 months - curriculum, school finances, demographic forecast, facility assessment, and collaboration to generate ideas.

► WORK SESSIONS

- 3 work sessions to review possibilities (gain a sense of possible projects and cost)

KEY AREAS TO TARGET FROM THIS WORK

CLASSROOM SPACE

Need for Additional
Classroom and
Resource Space at
All Levels K-12

SCHOOL SAFETY

Improve and
Secure Front
Entrances

GRADE CONFIGURATION

Consider Grade
Configurations of
Buildings

PROPOSED PROJECT

ADDITION/RENOVATION OF WASHINGTON PRIMARY BUILDING

- Addition to provide up to 10 additional classrooms
- Expand space to grow preschool program
- Improvement of front entrance to be modern and secure
- Consideration to expand/modernize spaces to meet the needs of special education, English learners, and Title I.
- Renovation of current building to improve efficiencies of all mechanical systems; overall cost to operate building anticipated to be neutral with improved efficiencies.

IF BUDGET PERMITS

OTHER PROJECTS TO INCLUDE:

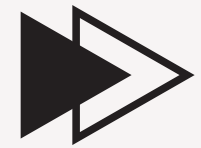

Improvement of secured front entrances at Washington Upper Elementary and potentially WJHS/WHS campus

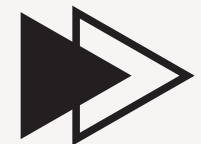

Improvements at WJHS gym (locker room, restroom, bleachers)

BUDGET SUMMARY ESTIMATES

WASHINGTON PRIMARY ADDITION/RENOVATION
22,500,000

**OTHER PROJECTS (SECURED ENTRANCE
IMPROVEMENTS AND WJHS GYM IMPROVEMENTS)**
\$767,850
